"Collect Sales Tax" State Tells Antioch, End'g Date Confusion

Merchants Should Have Started Collecting Half Cent on Monday

The confusion that occurred as to whether the half-cent village sales tax should start August 1, or September 1, was ended Tuesday when the Illinois Department of Taxation informed Village Attorney Edward C. Jacobs that it is collecting the tax for Antioch as of August 1.

Antioch, like other villages and their attorneys, was confused over a provision in the law which said that unless the enactment was an emergency provided through referendum, a 30-day waiting period should occur.

Atty. Jacobs called the state tax department by telephone and was informed that if the village law was passed and notice given 10 days before the end of the month, the tax would go into effect immediately and the state would start collecting.

Another call by Jacobs to the Illinois Municipal League's attorney brought the information that the 30-day waiting period applies only to villages and cities with the commission form of government and that the information given out by the tax department is correct.

Chain stores in Antioch with their own legal counsel began charging the village tax Monday.

The village board Tuesday evening instructed to call every business in Antioch yesterday telling them to collect the half cent tax at once. They probably will have to pay the two days of non collection out of their pockets if they haven't collected the tax.

Antioch's situation is exactly the same as Chicago which started collecting the tax Monday.

Clerk Shultis said at the completion of 60 calls that approximately 95 per cent already were charging the village tax. Many of the merchants had been informed of the ruling at a meeting of the Chamber of Commerce Monday.

July Was Dry and Hot Weather Recorder Says, But That's No Secret

It's turning out to be a hot and dry summer Roy Kufalk, cooperative weather observer commented as he noted 16 days of 90-degree temperature or better during the month of July and only 1.57 inch of rainfall.

The hot weather and humidity lapped over into August adding three more days of 90-degree temperature.

The highest temperature for July was 99 on the 27th and the lowest 56, on the 25th. Hot weather persisted throughout the month and the thunder storms that recently drenched some parts of Lake County missed Antioch. The heaviest rainfall for July was eight-tenths inch on the fifth.

As the result of the dry weather, corn is beginning to fire in the sandy soils. The heavy rainfall for June provided good moisture which carried the crop through to a week ago. Now it is beginning to suffer.

The hot weather has been a boon to the air conditioning business, and many Antioch business places and homes have added this convenience.

Pony League All-Stars Move into Semi-Final Against Evanston A-S

The all-star baseball team made up of boys from Antioch, Gurnee, Fox Lake, Island Lake and Wauconda in the Lake Region Pony League, beat Park Ridge all-stars 9 to 0 Saturday to move into the semi-final round in district play at 3:30 p. m. tomorrow.

The game will be played at the Skokie American Legion field with Evanston as the opponent.

The game Saturday was sparked by the playing of Catcher B. Grenell who not only got three hits in three times at bat, but put out runners, one trying to steal home and another trying to steal third. Jerry Nemo hit two home runs with a man on base each time.

The pitching was done by Don Freund who was relieved in the third inning after he was hit by a pitched ball while at bat. Catsten finished the game striking out 10 and allowing but two hits.

Antioch boys on the team are D. Pyle, R. Gudgeon, and D. Weigel, who is an alternate.

The Antioch Rescue squad was called to the Bristol Farms on Rte. C in Wisconsin Tuesday to administer first aid to Hiram Lothe, 63, an employee who was overcome by heat, but who died before the squad got there. The body was taken to Kenosha.

Proclamation

WHEREAS: Sacred Music is fundamental and an inspiration to the religious activity of all God-fearing people, and

WHEREAS: The Antioch Community Band is furthering the musical interest of the citizens of this community by their presentation of bi-weekly outdoor concerts, and

WHEREAS: The Antioch Community Band is presenting a Sacred Concert on Sunday Evening, August 21, 1955 dedicated to music glorifying God, and

THEREFORE: I, James W. McMillen, President of the Village of Antioch do hereby proclaim that Sunday, the 21st day of August 1955 be observed by the citizens of this community as SACRED MUSIC DAY, and all citizens are invited, and encouraged, to participate in enjoying music glorifying God.

J. W. McMILLEN.

James W. Stearns, 81, Former Fire Chief, and Village Trustee, Dies

Had Been Ill Several Years; Funeral at 10 o'clock Tomorrow

James W. Stearns, 81, retired business man and politician, died at 7:40 a. m. yesterday at his home 1031 Main st., Antioch following a lingering illness.

A resident of Antioch since 1921, Mr. Stearns was chief of the Antioch fire department for 17 years, and served several terms on the village board. He was deputy state fire marshal for five years, and served as Republican State Committeeman for some time.

He was a 50-year member of Sequoit Lodge 827 Ancient Free and Accepted Masons, and a member of St. Ignatius' Episcopal church.

Born Sept. 28, 1874 in Milwaukee, Mr. Stearns moved to LaPorte, Ind., where he lived for a short time, moving back to Milwaukee where for a year he engaged in the trucking business. He moved to Lake Villa in 1913, and was for eight years employed as division superintendent of the Consumers Ice Co., involving the Lake Villa and Antioch areas. It was while in this business that he moved to Antioch in 1921 and engaged in the dredging business which he pursued until 1940.

Surviving are the widow, Claudia, a son, Charles G. Stearns, Antioch; a daughter, Mrs. Esther Galbraith, Libertyville, and the granddaughter, Sandra Galbraith.

The funeral service will be held at 10 a. m. tomorrow (Friday) at St. Ignatius' church with the Rev. Edmund Hood officiating. Friends may call at this time. Burial will be in Union cemetery, Milwaukee, Wis.

Community Band Plans Sacred Concert, Aug. 21 In Observation of Sacred Music Day—Want Choir

Herman Assmann, 75 Dies After Long Illness

Herman Assmann, 75, Beach Grove road, Antioch, died Friday, July 29 at his home following a lingering illness. Mr. Assmann was born October 13, 1879 at Burgdorf, Germany. He came to America in 1908, settling in Chicago, afterward lived in Montana and Wisconsin previous to coming to Antioch four years ago. He was a retired building trades laborer. Since coming to Antioch he had worked as janitor at Emmons school.

Survivors are a brother August of Waukesha, two sisters, Mrs. Emma Eike and Mrs. Hermina Green, both of Germany. A nephew, Albert Assman and wife made their home with him.

Funeral services were held at 1:30 Monday at the Strang funeral home with the Rev. Howard Benson officiating. Interment was in Hillside cemetery.

William Gruenwald, 54, Buried Thursday

William Gruenwald, 54, of Lake Villa, passed away Sunday, July 24th, following a lingering illness. He was a retired bakery owner and had lived in Lake Villa since 1941.

Survivors are his wife, Margaret, a son, William E., and a grandson, Michael William, all of Lake Villa.

Funeral services were held at Kunitzer-Rowland funeral home on July 28. Interment was in All Saints' cemetery, Chicago.

Emmons School Dist. Calls Public Meeting On Building Proposal

Citizens to Convene Tues. Night to Discuss Needed Classroom Space

Do the residents of the Emmons School District No. 33 want to engage in a school building program?

That question will be asked of them by the school board at a meeting to be held at 8 p. m. Tuesday, Aug. 9 at the school building.

Atty. Ted Larson representing the board, said that the present two-room building at Rte. 59 and Beach Grove rd. is inadequate for the rapidly expanding enrollment. The school building has a basement which is in use. There are two teachers.

A representative of the architectural firm of Eckstrand, Schad, and West of Waukegan will be present to ask questions as to needs and costs.

During the past year the seventh and eighth grade pupils were transported to Antioch. There were nine of the seventh graders and five of the eighth graders. Just what will be done during the coming year has not been decided. The Emmons board earlier in the year held an exploratory meeting with the Antioch board to ascertain what the future prospects were for the Antioch school.

Because of the importance of next Tuesday's meeting at Emmons school, the board is anxious that there be a big turnout. The officials want the citizens to help them decide on the matter of building, both as to whether that is the course they want to pursue, and if so, the extent of the addition.

Elderly Scotsman Dies At Wm. Duncan Home

The Antioch Rescue squad misunderstood directions in a call to the William Duncan home east of Milwaukee Monday evening, but it didn't matter because, the object of the call, James Irons, 69, a visitor at the Duncan home, was dead of a heart attack before it could have arrived.

Irons, a resident of Irving rd., Wadsworth, and a former resident of Lake Forest, had been a sufferer from heart disease. It was believed that the intense heat brought on the attack which occurred about 20 minutes after he arrived at the Duncan farm.

Mr. Irons was born July 27, 1886, in Paisley, Scotland. He was a member of the Sons of St. George and worked as a plumber.

Surviving are the widow, Agnes, two sisters, Mrs. James Stewart, Paisley, Scotland, and Mrs. Robert Wilson, Hurtsville, Australia.

The funeral service was held yesterday afternoon at Lake Forest.

In celebration of Sacred Music Day proclaimed by Mayor James McMillen, the Antioch Community band will present a special concert at 7 p. m. Sunday, August 21.

Music dedicated to the glory of God, including many favorite hymns will be played on this program. A brass quartet from the Zion Concert band will appear as special guests.

An effort will be made to have choir members from the many churches in this area appearing on the program forming one large mass choir.

The Community band plans to make this presentation of sacred music an annual event and is hoping that the community will respond in making this occasion one long to be remembered.

The public concert Tuesday evening was quite successful and drew a large audience. The Lake Villa Grade School band played several numbers under the direction of Thala Rush and made a good impression.

Lions Carnival Opens

Everything is ready for the opening of the Lions Club carnival this evening at the high school parking lot. The rides and concessions give a good appearance and should no doubt attract crowds from now until Sunday night when the carnival closes. Profits of the event are used by the club to promote community projects of merit and for this sake alone the carnival should be well patronized.

Mr. and Mrs. Glenn Hauser left Sunday for a two week vacation trip through the Eastern states.

TIP FROM AN EXPERT

Notices Sent on Delinquent Personal Taxes Already Getting Results, Justice of Peace Says

Hot Weather Reduced Crowds at County Fair Which Was A Good One

Hot weather cut the attendance somewhat this year at the Lake County Fair at Wauconda, but there were good night crowds nevertheless because of light showers that cooled the air.

The displays, with the exception of flowers which were damaged by heat, were all much better. The hand weavers exhibit was new this year and the rabbit breeders put on an exceptionally good display.

Delbert Sherwood of Lake Villa, who last year astonished everybody by baking the championship cake, proved it was not his only accomplishment this year by winning the championship with his oats, rye, soybeans, alfalfa and corn.

Whether the fair will go back to Wauconda next year will depend on whether the fair association can get its new grounds ready at Grayslake. It has the problem of finding water and building two structures, one for the administration offices and the other for art and home economics displays which cannot be placed in tents.

The association has an invitation back to Wauconda.

Chamber of Commerce Pleased with Steps for Offstreet Parking

Members of the Antioch Chamber of Commerce who have been working to get offstreet parking for more than a year, were elated at their meeting at Smart's Country House Monday to know that steps are being taken by the village board to make their dreams a reality.

They endorsed the village sales tax and asked their members to start collecting the half cent tax at once.

While it was a warm day, the heat did not prevent the chamber from looking ahead to fall and winter business. Dollar Days were discussed and even the Christmas parade was given preliminary plans.

Business is good in Antioch, it was acknowledged, but that is only by concerted effort the year around that it can be maintained. Summer trade is the largest in history owing to the large number of vacationers brought from the city by the prolonged heat wave. Winter business is ahead, and it was this that the merchants are concerned with.

'Twas One Time Borovicka Should Have Stayed Home

George Borovicka, proprietor of Reeves Drug store, and a collector of antique autos, said he never was so glad to get back to his air-conditioned home as he was Sunday when he returned from an antique show at Decatur, Ill.

"We exhibited on a new track which churned into clay dust. There wasn't a tree within 10 miles, we were told, and the heat was terrific."

It was also a hot trip home, too. Borovicka's 1932 vintage car received a third prize.

Peter Poulos of the U. S. Navy is spending his furlough with his father, Ted Poulos.

Formulate Plans for Offstreet Parking E. of Main St. Stores

Would Make Present Business Section a Modern Shopping Center

George Borovicka, druggist, and A. Harold Olsen, furniture dealer, representing the Antioch Chamber of Commerce, appeared before the village board Tuesday evening with a map of the area of the village east which they propose be made the site of offstreet parking.

The map was prepared by Edward P. Cranley Associates.

Members of the board spent an hour with them discussing the possibilities, but it was found that there were uncertainties as to property ownership and whether certain space will be available for parking grounds.

It was said that William Rosing is willing to provide an entrance without cost, but verification had not been obtained, and the business men were told to get all information in detail and report back for action.

Any expense would be borne by money received from the sales tax.

"If we develop a parking area east of our Main st. stores we will have created a Shopping Center out of what we already have in the way of business places and there will never be any excuse for any new shopping center in the outskirts," Olsen said.

The board also spent much time searching the building codes for a ruling on the dimensions of walls and footings. The Oakwood Knolls builders started to erect one story houses on North Avenue with 6-inch instead of 8-inch cement wall foundation, and 16-inch instead of 20-inch footings as has been required in the past. Six-inch walls are permitted under the Suburban code and an old Antioch code, but the board wants better construction than that in the houses within a block of North Avenue, and they are still hunting a code that will support it.

A resolution was passed by the trustees establishing Clerk Clarence Shultis as a collector so that he can obtain social security along with other employees. As an elected clerk only he could not obtain it.

The board also spent much time searching the building codes for a ruling on the dimensions of walls and footings. The Oakwood Knolls builders started to erect one story houses on North Avenue with 6-inch instead of 8-inch cement wall foundation, and 16-inch instead of 20-inch footings as has been required in the past. Six-inch walls are permitted under the Suburban code and an old Antioch code, but the board wants better construction than that in the houses within a block of North Avenue, and they are still hunting a code that will support it.

First Sanction Race for Teen-age Boatmen At Mineola Saturday

The Petite Lake Racing Teens will sponsor the first Approved Power Boat Association races for teen-agers only Saturday.

A new milestone was reached in stock outboard racing when the nod of the A. P. B. A. was given recently.

The race will be held at the Mineola hotel on Fox lake, the drivers meeting there at 12:30 p. m.

Trophies for first, second and third places will be awarded in all classes of JU-AU-BU-DU-ASH-BSH- and the 36 cubic inch (the latter which is not sanctioned) plus R.P.B.A. points.

The club is quite proud of the progress it has made since its beginning. Starting with the idea of promoting water safety, good sportsmanship and just having fun, the club feels it has accomplished its goal.

The public is urged to come out and support these teen-agers.

Antioch News Now Has Two Heidelberg Presses

Neglect and perhaps a little modesty kept the Gaston Printing Co., publishers of the Antioch News from telling the public about the purchase of its first Original Heidelberg automatic platen printing press, but when this week another of the same kind was added, silence could not be kept.

In keeping with its policy of constantly improving its facilities, the printing company disposed of older equipment to make room for the new machines that are both capable of printing 5,000 impressions an hour.

All that the attendant has to do is to make ready the form, attach it to the press, make ink and other adjustments, and press the button. The machine automatically feeds, prints, tabulates and stacks the paper. The presses are capable of jobs 10 x 15 inches in size.

Manufactured in Western Germany by a company that has been making printing presses since 1850, the original Heidelberg is well beyond its 50,000th unit. The press is of sturdy construction with maximum precision and has a wide range of utility. It will handle all stock from onion-skin to heavy cardboard

in all sizes within its 150 square inch range.

The letter-press printing business has changed over the years until now much of it is volume work. The two presses supervised by one man can turn out 80,000 impressions a day, which is a far cry from the days of the old Gordon press and hand fed method when 1,500 an hour was record printing.

Speed printing also makes for lower costs in better printing and is the reason that the Gaston Printing Co. is attracting customers from an ever expanding region.

Home From Western Trip

Mr. and Mrs. Elmo Edwards returned from a month's trip to Colorado, three weeks of which were spent at Grand Junction. They vacationed within two miles of the mountain snow line and reported good fishing. Returning home they spent the past week with relatives in southern Illinois. The children, Jane and James, remained for a longer visit with their grandparents and cousins.

A dog's bark may be worse than his bite, but it never seems as personal.

The Mass Idea

The head of a leading food processing company recently heard a speech by Dr. Geoffrey Crowther, a distinguished English economist, in which the European concept of business responsibilities to the public was the topic. The executive summed the gist of the speech in these words: "Dr. Crowther said that in Great Britain, the idea of mass production and greater volume at lower prices was abhorred."

It's pretty difficult for any informed American to understand that kind of reasoning. For, as the executive also said, "In America the fiercely competitive business system seeks more and more goods at lower and lower prices." We see that at first hand whenever we go shopping. No matter what we are after, whether it is a can of beans or a suit of clothes or housewares, every merchant with the item in stock is doing everything in his power to attract our trade. He tries to sell at lower prices than his competitors, to offer better service than his competitors, to dream up more compelling advertising and promotions than his competitors. For in retailing, as in production, the mass idea is the big thing. Initiated by the chains, and subsequently adopted by other merchants, it is based on the proven principle that it is better for all concerned to sell a large volume of goods at a small unit profit than a small volume at a large unit profit.

Here is one of the main reasons why we have so far outdistanced the old world in raising living standards and in bettering working conditions. Our system encourages the greatest possible amount of competition. Foreign systems discourage competition.

The Travel Boom

Americans have become a much-traveled people—not only at home, but abroad.

Reports indicate that this year all foreign travel records are being smashed. The overseas ship and air lines are running at peak capacity as armies of Americans satisfy their desire to see the countries of the old world.

There's another form of travel of which we don't hear so much—but, which is growing apace and is vital to the welfare of this country and the entire free world. That travel is being done by goods, not people. We are a major importing nation—both of certain types of consumer goods, and of strategic national defense materials which either do not exist at all or are found in insufficient quantity within our own borders.

We are also a major exporter. All manner of agricultural and manufactured products go to overseas markets in a huge and endless stream. Whether they know it or not, the farmer in Kansas and the auto worker in Detroit—to take but two examples out of thousands that could be cited—directly or indirectly get a part of their livelihood from foreign

trade. They may never have seen an ocean—yet the oceans are highways of commerce which help to keep the American economy running in top gear.

Virtually all imports and exports, of course, must travel in merchant ships. It would be folly, in this chaotic world we live in, to depend on the ships of even the friendliest of foreign nations—their services could be denied to us overnight. That's why we must protect and strengthen the American merchant marine—in the interest of the national defense and of our material prosperity alike.

Confidence in the Future

An officer of the National Coal Association states that "the United States has the most efficient coal industry of any nation on the face of the globe." Coal has gone all out in improving its operating methods and physical facilities even during periods when sales were declining, and profits were at the vanishing point.

In 1946, coal production was 534,000,000 tons, and the industry spent \$87,600,000 for equipment. In 1954, by contrast, production was far down from the prior level—392,000,000 tons. But expenditures for equipment was far larger—\$105,000,000.

This certainly is a powerful testimony to the progressive spirit of the mine owners and operators. Every mechanical device of proven efficiency has been bought and installed. As a consequence, production per man day in 1954 was about nine tons, as against 6.3 tons in 1946. Hourly earnings of miners rose from \$1.40 in 1946 to \$2.48 in 1954. And the miners now have very valuable and costly fringe benefits in addition, such as vacation payments and welfare funds.

The coal industry has confidence and faith in the future. Owners and managers are doing everything in their power to overcome the problems of the present. They are demonstrating the kind of economic determination that is responsible for this country's material advancement.

The Low Down From Hickory Grove

You know, if it was in the cards to do so, every citizen of this land should try living a stretch in some foreign land. She and he would then catch on as to what a free country really is—would savvy some of the results of flirtn' around with Govt. ownership—state ownership—Socialism. In those foreign lands Mr. and Mrs. Citizen live, in tremendous numbers, work for the State. There is not the freedom of job choice that we take for granted here in old-foldin'-money-land.

It will availeth us naught to wake up 2 years or 10 years or 15 years hence and find ourselves tied in a knot via Socialism. If the boom is not lowered on an obstreperous group now in congress, we can some day find ourselves operating on the European-style system—the type the Pilgrims washed their hands of. In Tennessee the electric business is becoming a colossus—it bodes no good. It is not the "Made in America" type at all—it is foreign.

The Hoover Groups set up by the Govt. to look into Economy matters and Business matters—and advise congress—have made their reports. It is a symposium of horse sense. A congressman who does not take heed should be sent a R. R. ticket—homeward bound—and make it compulsory. Homeward bound, that is.

Yours with the low down,
JO SERRA

MILLBURN

Regular services at Millburn Congregational church Aug. 7, include Sunday School at 9:45 a. m. and church services at 11 a. m. The Rev. Clifton Speer of Crooked Lake will have charge of the morning service while the Rev. L. H. Messersmith is on vacation.

The twelfth annual Home Sunday was well attended at the Millburn church Sunday. Dr. Clarence McCall of Chicago was the guest minister. A pot-luck dinner was held after the service.

Rev. and Mrs. Messersmith returned home Saturday afternoon from Princeton, Ill., after spending several days as instructors at a Conference for boys and girls at Pilgrim Park.

Mr. and Mrs. James Cunningham, Jr., and son Michael returned to their home in Wheaton, Md., after spending two weeks at the home of their parents, Mr. and Mrs. James Cunningham.

Mrs. Addie Lucas returned to her home in Wadsworth after spending a week at the Charles Lucas home.

W. G. Thom of New Albany, Ind., attended Home Sunday and was an overnight guest at the Ernest Wells home Sunday.

Dawnene and Debby Ferry of Detroit, Mich., are spending this week with their grandmother, Mrs. Anna Bauman at the Eric Anderson home and with other relatives.

Mrs. Vera Zimmerman returned to her apartment in Millburn after spending two months with her sister, Mrs. Kenneth Mainwaring at Ann Arbor, Mich.

Mr. and Mrs. Otto Menn of West Palm Beach, Fla., were supper guests at the E. A. Martin home Sunday.

Rev. and Mrs. L. H. Messersmith left for a month's vacation on Tuesday morning to visit relatives at Farnum, Nebr.

Mrs. Margaret Anderson of Antioch and her mother, Mrs. Florence Pullen of Zion were caller at the Mrs. Myrtle Savage home Saturday afternoon.

Mrs. Eva Alling of Waukegan was a caller at the Frank Edwards home Sunday evening.

Mr. and Mrs. Oscar Harness of Dana, Ind., and Mrs. L. H. McCord of Waukegan and Mr. and Mrs. Thomas Harness are spending two weeks at Wolf River at Fremont, Wis.

Miss Ruth Minto and Miss Mary Anderson are spending a two weeks vacation trip through the New England states and will visit the former's brother, Donald Minto, in Providence, Rhode Island.

Mr. and Mrs. Edward Lange and

Mr. and Mrs. Tom Forsythe of Chicago spent several days with Mrs. Beatrice Anderson.

Mr. and Mrs. Clarence Hauser of Paris Corners spent Sunday evening at the Frank Hauser home.

Mrs. J. G. Streckert and son of Chicago spent Wednesday with Mr. and Mrs. Oscar Neahous.

Miss Marian Edwards of Libertyville was a supper guest at the Frank Edwards home Monday evening.

The Devotional Study group met last Thursday at the home of Mrs. C. P. Weber. The next meeting will be at the home of Mrs. Herbert Messner Thursday morning, Aug. 11, at 9 a. m.

Mr. and Mrs. Roy Kennedy of White Plains, N. Y., and Mrs. Maude Kennedy of Waukegan were callers at the E. A. Martin home Friday. Harry Shank, Jr., and Robert Hairrell of Waukegan left Friday for two weeks vacation through the

west and will visit S. N. Donald Shank at Long Beach, Calif.

Mr. and Mrs. Robert Hughes and daughter, Robin, spent Sunday with their uncle Clyde Fischer at Evansville, Ind.

Airman 2nd class James Holem, son of Mr. and Mrs. Don Holem has returned from England and is now stationed at Mountain Home, Oregon.

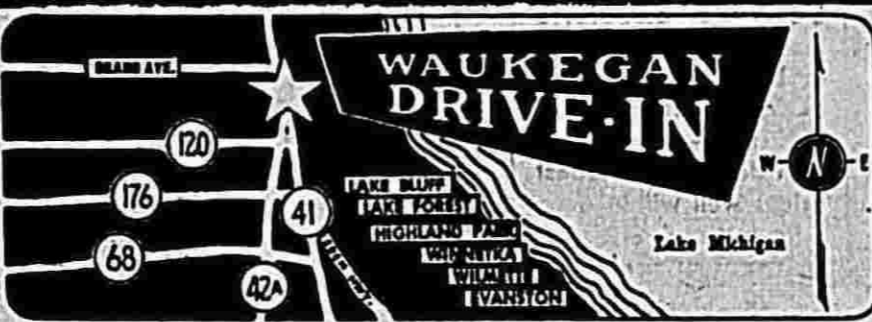

By JACK SEIB and JOHN SHERBET

I see where an eastern psychologist has found out that TV commercials spoken slowly, about 145 words per minute are better than the faster 185 word commercial. "Relaxed attention makes remembering easier," he reports.

At our house we would prefer the slower one, too. It gives you more chance to make that sandwich, pour another cup of coffee or start putting pajamas on the kids who are up too late anyway.

Actually, what they ought to do is work the commercial into the entertainment script. Like we do these weekly articles from COURTEOUS TV. Phone Antioch 144 the next time for television service. We'd like to show you some of the latest electronic instruments for fast, efficient servicing.

Friday evening show is conducted by Mr. Ranyan of Radio Station WLIP and features the best in Wisconsin and Illinois local talent.

Admission — Adults \$1.00 . . . Children 25c —tax ex.

Long-Term Thrift Paying Dividends For Americans

NEW YORK — The average American's "nest egg" is steadily growing and the long-term thrift and investment programs which have been built up over the years are bringing to the saver a greater dollar return in the aggregate than ever before.

At the same time the American people have made a record provision for the future to protect the individual and family, not only in accumulated savings and investments but also in life insurance and pension and retirement programs.

Figures compiled by the U. S. Department of Commerce show that the aggregate return on accumulated personal savings and investments crossed the \$35 billion mark for the first time last year. This sum represents the combination of personal interest income, dividends and rental income tabulated by the Department of Commerce in its compilation of the sources of personal income. It does not include any return of principal such as occurs in withdrawals from savings accounts, sale of real estate or securities, etc.

The aggregate return on personal savings and investments in 1954 was up nearly \$2 billions over the year before, and added up to two and three-quarters times the comparable figure in 1940. It also contributed approximately \$1 out of every \$8 in all personal income before taxes last year, indicating the magnitude that the people's savings and investment programs have attained as a result of their persistent thrift.

Taureg Tribesmen Hide Their Faces

LOS ANGELES — A proud and little known people whose men wear veils and cling to customs reminiscent of knights of old were visited recently by a geographer of the University of California.

Dr. Benjamin Thomas visited the land of the Tauregs while studying trade routes and modes of transportation in Africa. Tall, aristocratic, and fearless, the Tauregs once ruled desert commerce with an iron hand before their power was broken by the French.

Called the "People of the Veil," the Tauregs are a nomadic people who live in the central part of the Sahara Desert. They retain a hereditary caste system and any labor but managing herds or fighting is deemed unworthy by Taureg born to the noble class.

Taureg men consider the veil a symbol of masculinity. Taureg women, unlike their Moslem sisters elsewhere in the Arab world, never wear the veil and have the same social freedom as women in the Western world.

These Bats Pitch Tent To Beat The Heat

WASHINGTON—Ever see a bat pitch a tent? The Smithsonian Institution says the tent-pitching bat, the Uroderma, is strictly nocturnal, so chances are, you won't catch him in the act.

The tent-maker cuts and bends a large palm or coconut leaf into the form of a tent in which it spends the day. Several animals share the same tent, fanning each other with their wings—it is reputed—when the interior of the tent gets to hot for comfort.

Curiously enough, both of the trees whose leaves are used for tents have been introduced into the Jungle, and it is possible that the tentmaking technique has been "invented" by the bats.

Burro Takes Shine To Annoyed Milkman

FAIRFIELD, Conn. — Milkmen and postmen have always had trouble with dogs along their routes—but not John Renschansky, a milkman. His troubles came from an affectionate burro.

It was about 6:30 one morning when Renschansky got tired of the pesky burro following him from house to house and sought the aid of the law.

Two policemen tried to shoo the burro home, but she refused to leave her new-found pal, Renschansky. Police telephoned the burro's owner, Edward Sterling. "She likes to have her nose tickled," said Sterling.

Policeman Ambrose Smith tickled the burro's nose. The animal deserted Renschansky and followed Smith.

Comfortable Canvas

LONDON—Boxers who get KO'd in the future may be able to rest more comfortably on the canvas.

England is testing the injury-reducing effects of putting a layer of foam-rubber sheeting under the canvas in boxing rings. Experiments to date indicate the rubber helps minimize the seriousness of fall injuries.

Cocoa Brown Beauties

Folks will be lavish in their praise when you serve Cocoa Meringue Shells like these . . . because the New Baker's Cocoa used in making them gives them a delicate yet rich chocolate flavor that's hard to beat. This cocoa is a superb "blender," designed for cold and hot drinks as well as for all kinds of cocoa-cookery.

A dessert like this one is a delight to the eye and simple to prepare . . . yet something just a bit different for home parties. Fill the shells with your favorite ice cream and sprinkle with chopped nuts to make this dessert a real winner.

COCOA MERINGUE SHELLS

- 1 tablespoon cocoa
- 1/4 cup sugar
- 3 egg whites
- Dash of salt
- 3/4 teaspoon vinegar
- 1/2 teaspoon vanilla

Combine cocoa and sugar. Beat egg whites with salt until foamy throughout. Add cocoa-sugar mixture, 2 tablespoons at a time, beating after each addition until sugar is blended. Then continue beating until meringue will stand in stiff peaks. Add vinegar and vanilla and beat well. (Entire beating process takes about 10 minutes.)

Using a spoon or pastry tube, shape meringue in rounds on unglazed paper on baking sheet, making each about 3 inches in diameter and 1 1/4 inches high. With a spoon, make a depression in center of each. Bake in slow oven (300°F.) 30 to 35 minutes. Cool. Remove from paper. Makes 6 to 8 meringue shells.

LAKE VILLA

Mr. and Mrs. Russell Nickerson, Donna Terry and Tom and Mr. and Mrs. Ronald Nickerson were called to South Bend, Ind., early last week and attended funeral services for Russell's grandmother, Mrs. Clara Nickerson, 85.

Mr. and Mrs. Gene Nickerson and sons and Mrs. Mary Nickerson of Chicago were guests at the Russell Nickerson home during last week.

Catholic services are being held each Sunday at the school auditorium at 8:00 and 10:00 a. m. for the many families in this vicinity who have been attending services at Antioch and Grayslake.

Mr. and Mrs. Harvey Brooks have been going to Brookfield, Ill., during the past week to visit their son Robert Brooks and wife whose five weeks old daughter is in the Berwyn hospital for surgery which she underwent last Friday and seems much improved.

Mrs. Lulu Nelson of the Methodist Home at Lawrenceville, Ill., came Sunday for a visit with relatives and friends and is at the home of her daughter, Mrs. Carl Ekdahl. Her son William Nelson of Antioch drove down to bring her here.

Mr. and Mrs. Ralph Nader welcomed their third child—a second daughter—at the Condell hospital at Libertyville early last week.

Dr. and Mrs. M. H. Gindich announce the engagement of their daughter Kathleen to Mr. Martin Falser, son of Mrs. John Falser of Omaha, Nebr. Mr. Falser, an attorney, is a graduate of Northwestern University and is engaged in the practice of law in Chicago. Kathleen attended University of Illinois and also Northwestern U., and has been teaching in the Chicago schools. An early fall wedding is being planned.

Cedar Lake Camp Royal Neighbors will sponsor a public card party at the village hall on Wednesday afternoon, Aug. 10. A salad bar luncheon will be served, a bakery sale and silent auction will be featured. There will be table prizes. Cedar Lake Camp will be hostess for the annual R. N. A. Lake County convention on Tuesday afternoon and evening, Sept. 27.

The Clifford McCarthy family left late last week on a vacation trip to Michigan with Mrs. McCarthy's sister and family from Waukegan. Mr. McCarthy is employed at the Johnson Motor Co. in Waukegan.

Mr. and Mrs. Charles Rothers and children who have been at the Albert Kapple home for the past six or seven weeks left Saturday for a two weeks vacation in Northern Wisconsin.

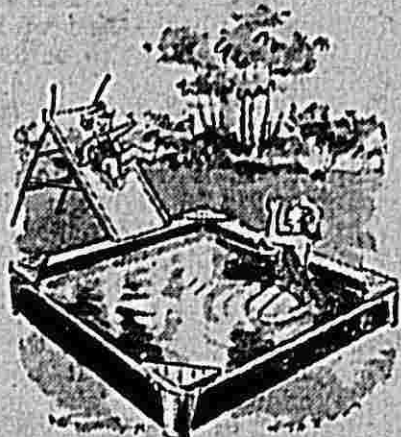

Mr. and Mrs. James Gurren and daughter of Saginaw, Mich., visited Mrs. Gurren's mother, Mrs. J. R. Williamson a few days this week. They had come from a visit with Mr. Gurren's mother in Iowa.

The American Red Cross estimates it will spend \$1,000,000 on emergency aid and long-term rehabilitation assistance to the hundreds of families affected by the tornadoes which struck Kansas, Oklahoma, Arkansas, and Texas in late May.

American Legion News The regular monthly meeting of the American Legion Lake Villa Post 1219 was held recently at the Venetian Village Community hall, and officers were elected as follows: Commander, Harry Kraemer; senior vice commander, Marvin Worchei; junior vice commander, John Ludford; adjutant, Julian Anderson; finance officer, Frank Brancato; ser-

vice officer, Kenneth Willer; chaplain, Earl O'Brien and sgt., at arms, John La Mont. The Legion picnic for the Cub Scouts and Auxiliary will be held Aug. 21st, at the grounds of the Venetian Village Community hall, beginning at 11 a. m. The next regular meeting of the Legion will be held Aug. 16 at Johnson's resort at Fourth Lake.

Miss Laura Pedley Becomes Bride Of Robert Horton, Sat.

In a five o'clock garden ceremony Saturday at the home of Mr. and Mrs. Earl Pedley of Long Lake, their daughter, Laura, became the bride of Robert Horton, son of Mr. and Mrs. Earl Horton of Antioch. The Rev. Howard Benson officiated, at the double ring ceremony.

The bride, given in marriage by her father, chose for her wedding a ballerina length gown of white lace and net over white satin. Her fingertip veil was held in place by a Juliet cap. Her flowers were white roses.

Mrs. Stuart Good as matron of honor wore a gown of yellow net over satin and her flowers were bronze roses. Stuart Good was best man. Glenn Hauser and John Pedley served as ushers.

The bride's mother wore a blue sheer dress and her flowers were white carnations and red roses. The bridegroom's mother was attired in a gray dress and her flowers were white carnations and red roses.

A reception followed the ceremony at the Pedley home. The newlyweds left for a fourteen day wedding trip and will be at home to their friends in their new home on North Avenue, Antioch, Aug. 15. Mr. and Mrs. Horton are employed at the Antioch Grade school.

Legion Queen, Mother To Go to Washington By Airplane Monday

Miss Arlene Cribb, Antioch Legion Queen of 1955, and her mother will leave on their four day trip to Washington, D. C. next Monday.

They will travel aboard the new Vicker's Viscount plane just recently put on regular schedule by the Capital Airlines. The Viscount is a turbo-prop plane and it is claimed that the motor vibration and noise has been reduced considerably in comparison to the conventional propeller driven plane.

While in Washington, Miss Cribb and her mother will stay at the Statler hotel and will be guests of the American Legion Washington Headquarters with Mrs. Juanita Lowe, secretary of the Washington post, as their hostess. Points to be visited will include the White House, Washington's Memorial, Jefferson Memorial, Arlington National Cemetery, George Washington's Home, Smithsonian Institution, Lincoln's Memorial, and various motor trips around the Capitol and through the countryside of beautiful Virginia.

The Legion queen and her mother will return Friday afternoon via TWA Airline. The entire expense of this trip is being paid by the Antioch Legion Post as an award to Miss Cribb winning this year's Legion Queen contest.

Visitation Provided For Bible School on Closing Day Friday

The Daily Vacation Bible School at the Methodist church will close its two-week session Friday with a visitation for members of the pupils' families from 10:30 to 11:30. The last half of this period will be set aside for worship.

Projects this summer have included the making of oil cloth animals for hospitalized children.

Classes opened a week ago under a staff headed by Mrs. John Grady and Mrs. Louis Biel.

Others working in the school include Mrs. Charles Watson, who heads the primary department, where teachers include the Mesdames Carl Johnson, Robert Duha, Elaine Palm, Xavier Schimmel, T. J. Masek, H. J. Homan, Edward Jahneke, Mary Ellis and Mrs. Watson. Mrs. William Hansen is pianist for the department and helpers are Mrs. Porter Larson, Nancy Scott, Sue Duha, Joyce Babor and Lenore Kahneke.

The intermediate department is headed by Mrs. Warren Polley with Mrs. Howard Benson serving as pianist and teacher. Other teachers are the Mesdames William Frey, Robert Brown, B. R. Burke, C. L. Heath, Hurdis Salzman and D. M. Krieger. Elaine Evans is the helper and Mrs. L. V. Siltler is serving all departments as secretary.

Fine Reports Given on Rainbow State Assembly By Delegates, Guests

Delegates and advisers from the Antioch group of the Order of Rainbow for Girls said their state assembly at Springfield last week was an inspiring and successful event. Fred B. Swanson, local 33rd degree Mason who has seen everything in Masonry, and who as a distinguished guest was made a member of the Grand Cross of Color, said the services and pageantry were more beautiful than those of the men's organization.

The Antioch group arrived home Saturday and Sunday. The sessions of the Grand Assembly were held at the Armory. On Friday evening, Mr. Greathous, managing director of the St. Nicholas hotel gave the Antioch party a banquet out of courtesy for Swanson. Mrs. Mary S. Abt, supreme inspector under appointment from the supreme assembly, was also a guest. She conferred the Cross of Color honor on Ewanson earlier in the day.

Mary Lu Bushing and Sharon Gibbs were the official delegates from Antioch. Registration at the convention totaled 882. There were two delegates from Waukegan, two from Wauconda, and two from Woodstock.

Diane Jones of Blue Island was elected grand worthy advisor. The next state assembly will be in Chicago and will be observed as a silver anniversary.

FINAL PLANS MADE FOR SALAD BAR LUNCHEON

Final plans for the Salad Bar Luncheon at St. Peter's church Aug. 10, were made last night at the home of Mrs. Francis H. Mitchell in Petite Lake Park. As in the theatre "The stage is set" and the Altar and Rosary Society is waiting for "The play to start." Many beautiful prizes have been donated and in using both the school and the church halls, no confusion is anticipated and a delightful afternoon is promised by Mrs. Mitchell and her committee.

Mr. and Mrs. Richard Radke arrived in Antioch last week for a visit with Mr. Radke's parents, Mr. and Mrs. Maurice Radke. Richard is serving in the U. S. Navy and expects to receive his discharge in about six months.

ANTIOCH ACORNS WILL ENTERTAIN ON ACHIEVEMENT NIGHT, AUG. 8

Members of the Antioch Acorns 4-H club have extended an invitation to all parents of 4-H girls, all girls 10 years and older who are interested, Lake County Home Bureau members and other units interested in 4-H work to open house on their Achievement Day, Monday evening Aug. 8, at 7 o'clock at the Scout Home. There will be cooking demonstrations and the girls will model clothing they have made during the past several months. Refreshments will be served.

CHANNEL LAKE CHICKS AWARDED BLUE RIBBONS

Channel Lake Chicks 4-H club will entertain their parents and friends at its Local Achievement program Friday, August 5 at 8 o'clock at the Channel Lake school. The program will include a style revue. Girls will model garments they made during the past year. Nineteen of the club girls were awarded blue ribbons for their outstanding garments, at the 4-H club show at Wauconda July 25. Their booth also won a blue ribbon.

Judy Horton, daughter of Mr. and Mrs. William Horton recently returned home from a five day training session of the Illinois Future Homemakers of America held July 25 through July 29 at Lake Bloomington. Over 600 representatives from 22 sections and 608 local high school chapters attended. Personnel training and group participation was stressed.

A. T. H. S. CLASS OF 1945 HAS TENTH REUNION

Sunday, July 24, the class of 1945, Antioch Township High School had its tenth reunion picnic at Fox River Park. Approximately 20 class members and exactly 42 of their progeny attended. A fast baseball game proved to the members that Father Time is exacting his toll. There were no reports of the children having stomach aches from over-indulgence; however there were numerous reports of aching muscles by parents. The reunion was voted a success by all who attended, and another get together is slated for two years hence.

DEBBIE BEISER HAS PARTY ON SIXTH BIRTHDAY

Debbie Beiser, daughter of the Nathan Beisers of Lake Villa celebrated her sixth birthday Thursday. Several little friends helped to celebrate the occasion and besides her brothers Dickie and Rickie, the following were present: Sandy and Cindy Pedersen of Antioch, Suzie and Don Sherwood, Jr., of Lake Villa, Susan, Sally and Sherree Brewer, and Wesley Rouse of Mundelein.

Mrs. Leila Flynn of Chetek and Mrs. Elsie Bennin and son Leland of Milwaukee were guests at the Earl Horton home over the week end and attended the Pedley-Horton wedding. Mrs. Lydia Horton, 87 year old grandmother of Robert Horton, was able to attend her grandson's wedding at Long Lake Saturday.

Mr. and Mrs. Nathan Beiser, Dickie, Debbie and Rickie of Lake Villa left Monday for a week's vacation at Kansas City, Mo., with Mr. Beiser's family.

Mr. and Mrs. Dale Barnstable and family of Louisville, Kentucky, arrived in Antioch Saturday for a vacation with Dale's mother, Mrs. Eva Barnstable and other relatives and friends.

Miss Lila Warren, who has been the guest of Miss Mary Shepard and her parents for the past three weeks, returned by plane to her home at Lake Lotawana, Mo., Monday.

Antioch Resident Begins Seventh Term as Superintendent of Lake County Schools

W. C. Petty of 1038 Spafford st., Antioch, took his oath of office for his seventh term and began his twenty-fifth year as superintendent of schools for Lake county.

He received his gold-sealed commission from Governor W. G. Stratton for the start of the new term, and it will be displayed and then filled with the six others of past years signed by other governors.

Mr. Petty was appointed to the office March 11, 1931, to fill the unexpired term of the late T. Arthur Simpson, who resigned then to become assistant state superintendent of schools.

Since that time Petty has been returned to office by an ever increasing vote. He was elected last November but a superintendent does not take office until in August after the election.

Idea Good, But Law Dangerous, Columnist Says of Book Curbs

D. Fred Endicott, Carmi, Ill., a former schoolmate of Mrs. Margaret Gaston, publisher of the Antioch News, who is columnist of the Carmi Times, has gained notoriety through Stratton for his veto of a bill aimed at his article commending Governor at "horror" and "immoral" comic books. Wrote Endicott: "Once again the people of Illinois have been saved from an unwarranted censorship of their reading material. Perhaps more important, Illinois youngsters still can continue to browse through such books as 'Treasure Island' and 'The Adventures of Tom Sawyer'."

"For this deliverance, we all owe a vote of thanks to Attorney General Latham Castle. It was upon his advice that Gov. William G. Stratton vetoed a bill passed by the General Assembly aimed at 'horror' and 'immoral' comic books but which also, if enacted, might have deprived our youth of the pleasure of reading books upon which young Americans have thrived for generations.

"This measure, officially known as House Bill No. 754, would have prohibited distribution, sale or gift to any person under 18 years old of any book 'devoted to publication or exploitation of horror, terror, bru-

tality, violence, passion, depravity, or immorality.' It is, Castle said, a bill drawn with the best of intentions but so vague as to be dangerous if enacted.

"In fact Castle warned the Governor, if such an act were to be held constitutional, it would ban sale to persons under 18 of books such as 'Treasure Island,' 'Kidnaped,' 'Uncle Tom's Cabin,' 'The Sherlock Holmes Stories,' 'Tom Sawyer' and 'Huckleberry Finn,' along with the Horatio Alger stories and the tales of Edgar Allan Poe. It possibly, Castle added, might also include classics such as 'The Illiad' and 'The Odyssey' and Dante's 'Inferno.'"

"Illinois already has enacted statutes to punish purveyors of pornography, Castle pointed out, as well as laws to prohibit 'tie-in' sales by which publishers force retailers to accept unwanted magazines in order to secure those they do wish to handle."

Miss Lillian Forster of Bluff Lake won first place at the Lake County fair with her cross-stitch picture taken from a calendar of the 1870's and first for her lily dolly centerpiece.

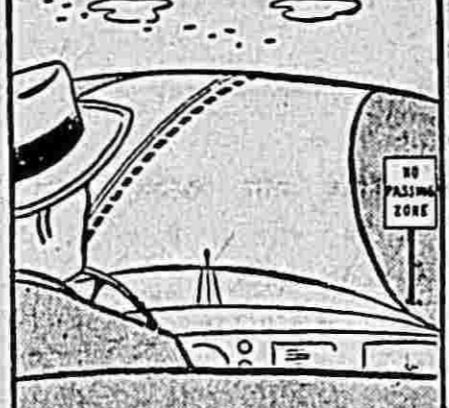

As of January of this year, 251,000 South Vietnam refugees received Red Cross parcels of food, clothing, and other necessities.

Tips on Traffic Safety

By CHARLES F. CARPENTIER, Secretary of Traffic

A recent survey revealed that three out of 100 drivers in fatal accidents were passing improperly at the time of the accident. Two out of 100 drivers were guilty of this violation in urban areas. The survey shows that in rural areas the number was four out of 100.

Before passing another vehicle be sure that you observe the signs along the highways. In many areas,

too, a single yellow line or stripe on your side of the center line is used to indicate no passing zones. These will be found on hills, curves or at other hazardous locations. Do not cross these lines to pass another vehicle. (Sec. 58, Uniform Act Regulating Traffic.)

Where there are no such markings to aid you, use common sense before passing another vehicle.

One of the most dangerous illegal practices of the road—and all such practices are dangerous—is to pass another vehicle on the right hand side. (Sec. 64, Uniform Act Regulating Traffic.) Such maneuvers only lead to disaster.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

Thought of a Jilted Lover There go Harriet and Jim. A lovely pair, except for him.

Petty Starts 25th Year

County Superintendent of Schools W. C. Petty began his 25th year of service on Monday of this week. Shown above are Gar Leaf, County Clerk, and Mr. Petty receiving his certificate signed by Governor Wm. Stratton. Mr. Petty was sworn in for another four-year term of office by Leaf

Mrs. Kolar's Mother Dies

Mrs. Antoinette Kyble Drasal died Saturday evening at the home of her daughter, Mrs. George Kolar on North ave. Funeral services were held Tuesday at the Tancel Funeral Home on Harlem ave. in Chicago. She had been in poor health for a long time.

We are Proud to Announce
the installation of our 2nd
NEW
ORIGINAL
HEIDELBERG
Automatic Press

The 10x15 Automatic Heidelberg press is as modern as tomorrow and is one of the greatest performers in the printing industry. This, our second new Heidelberg within two years, will serve to help maintain speedy delivery of quality printing in the face of greatly increased volume in our plant. Each of our new Heidelbergs is capable of producing sheet-fed printing in sizes to 10x15 inches at a rate of 5000 sheets per hour.

In keeping with our policy of constant improvement to offer better service and highest quality printing to our customers, we have also installed a Ludlow Typograph machine. The Ludlow presents advantages not found in other machines in that a constant source of new type in a variety of faces is available to our skilled compositors. With the Ludlow in use, each job printed here is printed from type manufactured expressly for the job and this use of new type each time results in clean, sharp impressions and a better looking job. This machine, together with the two Heidelbergs, augments our regular lineup of equipment which includes Linotype, automatic presses in larger sizes, automatic folding and power cutting, stitching and drilling equipment. We are ever striving to improve our facilities so that we may offer the public the finest service and best quality printing available anywhere. The addition of these new machines gives us equipment equal to any found in the area.

HICKORY

Jerry Hunter arrived home Saturday evening from Fort Leonard Wood, Mo., on a 14 day furlough.

Lt. Russell E. Hunter and wife and three children from Corona, Calif., arrived here last Wednesday. Lt. Hunter will be stationed at the Hospital Corps School at Great Lakes, Ill., for the next few years.

Mr. and Mrs. Harold Edwards and family from Columbus, Mo., arrived at the Bert Edwards home on Friday morning. Harold left on Saturday for Columbus, Ind., where he will have Reserve Airforce training for the next two weeks. Mrs. H. Edwards and children are visiting her folks, the Ray Carneys of Kenosha this week.

Harold Thompson of Zion spent Sunday at the Will Thompsons'. In late afternoon he called on Mr. and Mrs. Emmet King.

Mr. and Mrs. R. C. Bishop of Kenosha were Sunday afternoon callers at the Tillotson and King homes.

Miss Esther Webber of Antioch and Mrs. Joe Sheehan attended a shower on their sister, Mrs. Donald Birchfield Sunday afternoon at the home of Mrs. Joe Schrer in Waukegan.

Mr. and Mrs. Pete Schaefer of Chicago were Saturday evening callers at the Wm. Richards home. Saturday afternoon callers were Mrs. Steve Gerger and daughter of Chicago.

Mr. and Mrs. Oscar Finkel and son Gordon drove to Starved Rock on Friday.

William Thom of New Albany, Ind., was a caller at the Earl Crawford home on Saturday afternoon.

Mr. and Mrs. Chris Paulsen of Whitewater, Wis., visited the Wilson King family Sunday afternoon. Christine King returned home with them after a two weeks visit at

Whitewater with her grandparents, the Paulsens.

Joan Burton of Antioch and Judith Sheehan and Lynn Bolton and Ronald January spent Thursday at the Museum of Science and Industry at Jackson Park, Chicago.

Mr. and Mrs. Glen Fox and Mr. and Mrs. Leslie Palmer attended the ball game at Wrigley Field, Chicago, on Sunday afternoon.

Mr. and Mrs. Clarence Rose and Mr. and Mrs. Rydolph Weise from Pasadena, Calif., also Mr. and Mrs. Raymond Wells of Waukegan were Tuesday dinner guests at the Earl Crawford home.

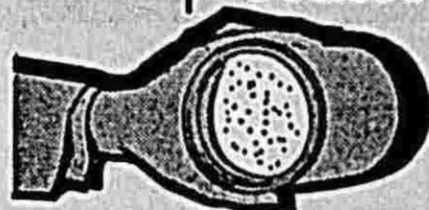

Mr. and Mrs. Warren Wells and baby of Gurnee spent Sunday at the Curtis Wells home. It was Warren's birthday.

Mr. and Mrs. Ward Edwards and two sons of Rockford visited the

Bert Edwards family on Sunday and showed them movie pictures and still life pictures they took on their recent trip to the eastern coast and up into Nova Scotia and Prince Edward Island, Canada.

Mr. and Mrs. Fred Leable spent Sunday with relatives in Kenosha. Mr. and Mrs. Harold Butler and children of Waukegan spent Sunday evening at the Curtis Wells home.

Because Buick sales are soaring past all records—

We're declaring a profit-sharing bonus for you

\$226688[†] delivered locally
-less the whopping big allowance we'll make on your present car!

THIS we've never seen before—a sales year that's shattering every record in the Buick book—a soaring success far greater than the one that moved Buick so solidly into the Big 3 of America's best sellers.

So we're going to share profits with you —by stretching our regular big trade-in allowances to practically our break-even point.

That means you can now buy the most wanted Buick ever built—for less than ever before.

That means you can have Buick style distinction and prestige—Buick room and comfort—Buick size and solidity—for plenty dollars less on the

profit-sharing deals we're making now.

And that means you can have, at a terrific buy, the hottest-action Buick in history—with walloping V8 power raised to new highs, and with the spectacular performance of Variable Pitch Dynaflo*—world's first and only transmission using the switch-pitch principle of the modern plane's propeller.

Come in today—tomorrow, for sure—and see for yourself that you can now make the biggest buy of the year on the car that's far and away the thrill of the year.

*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Thrill of the year is Buick—**Biggest-selling Buick in History!**

(So we're trading high, wide —and then some!)

Mr. and Mrs. Arthur Kruckman, Mr. and Mrs. John Kruckman, Libertyville, Ill., Mr. and Mrs. James Largo, Waukegan, spent Sunday with Mr. and Mrs. Frank Kruckman.

Mr. and Mrs. Marlin Schnurr entertained Mr. and Mrs. Bill Schnurr, Stoughton, Mr. C. M. Andersen and daughter, Mildred, Milwaukee, Judy Schnurr, Mrs. Hubert Miller, Mr. and Mrs. John Schnurr Sunday in honor of their grandchild, Jane Schnurr's first birthday anniversary. Warren Kanis, Cloquet, Minn., is spending a few days with his father, Charles Kanis and sister and brother-in-law, Mr. and Mrs. Fred Oldenburg.

Mr. and Mrs. George Higgins were Monday supper guests of Mrs. Charles Curtiss, Kenosha.

Mr. and Mrs. Wayne Tilton, Mrs. Lynn Sherman, Mr. and Mrs. George Higgins attended the silver wedding anniversary of Mr. and Mrs. Wm. Townton, Sunday evening.

Misses Grace and Erminie Carey entertained Misses Rosa and Eda Bufton, Kenosha, Mrs. Wallace Dobyns, McHenry, and Mrs. Paul Ganzlin in honor of Edith Darby, Walla Walla, Wash., Thursday.

Sunday, August 7, is the day set as Work Day for the Kenosha County Fair to get the grounds and buildings into shape for the big event. There will be free lunch and drinks at noon for those who participate. There has been splendid cooperation in the past from such groups as American Legion, Kenosha, other organizations who have stands on the grounds as well as from the officers and department heads. If everyone will accept a little responsibility for getting things into shape and donate a little time as well the work does not last long and things will be cleaned up by mid-afternoon so that all can have a few hours of relaxation. Bring a pair of gloves and a hammer—there will be something for you to do.

Mr. and Mrs. Elmer Rasch and family spent Thursday with Mr. and Mrs. Eisenbart of Oregon, Wis.

Doris Rasch is spending a few days with her grandmother, Mrs. L. Sweet, Richmond, Ill.

Mrs. Oliver Mathews and Mrs. Kandice, Antioch, Ill., spent Wednesday with Mrs. Paul Ganzlin.

Mrs. Alex Schubert and Mrs. Lloyd Stoxen attended a miscellaneous shower at the Lutheran hall Sunday in honor of Miss Leslie Paasch of Silver Lake.

Mr. and Mr. Homer Clark, Richmond, Ill., spent Sunday at the Schubert-Albrecht home.

Mr. and Mrs. Harley Shotliff, Larry and Bobby, LaGrange, Ill., spent a week's vacation with Mrs. Nellie Shotliff.

Mr. and Mrs. Harley Shotliff, Larry and Bobby, LaGrange, Ill., Mr. and Mrs. Lyle McDougall, Mrs. Nellie Shotliff attended a picnic at the home of Mr. and Mrs. Stanford

Heide at Kenosha, Friday evening. Mrs. Nellie Shotliff, Mr. and Mrs. Lyle McDougall attended the Shotliff reunion at Macktown park, Rockton, Ill., Sunday. There were 51 present.

Mrs. Ray Panzer and family, Gurnee, Ill., Mrs. Peter Grampsevink and children of North Chicago, Mrs. James Seitz and daughters, Terry and Chris, Wilmot, Mrs. Robert St. John and Sandra, Mrs. Floyd Gyger, Jr., and family were Thursday dinner guests of Mrs. Floyd Gyger, Sr.

Mr. and Mrs. Richard Carey and family, McHenry spent Sunday with Misses Grace and Erminie Carey.

Mrs. Grace Schmalfeldt, Kansasville, Mrs. Millie Faber, Silver Lake, spent Monday evening with Mrs. Paul Ganzlin.

It wasn't too hot for Mom to bake a pie tonight!

Of course not! She has a new electric range—

MR: What's her new electric range got to do with it? MRS: Plenty! Her kitchen never gets hot—even when she does a lot of baking. MR: Well... MRS: And another thing... her kitchen doesn't get dirty, either. The fumes from that museum piece of ours have ruined the decorating we did this spring! MR: But... MRS: So if you think I'm going to spend the rest of my life in the hot stove league... well, you've got another think coming! MR: Look, dear... if you really want a new electric range that badly, I think we can swing it. Just one thing, though... MRS: Yes? MR: I want blueberry pie for dessert the first night it's installed!

Keep your kitchen 10 degrees cooler with a New Electric Range

Recent impartial baking tests (made by independent engineers of the R. W. Hunt Company) prove that modern electric ranges keep your kitchen an average of 10 degrees cooler than the most modern flame-type ranges.

NEW SHARE-THE-COST INSTALLATION PLAN saves you important money. OWN AN ELECTRIC RANGE for as low as \$2.16 a week —installed!

Nothing GOES like a Chevrolet V8!

Drive with care... EVERYWHERE!

It's the new winner in stock car competition...

and it's winning new, young-minded friends faster than you can say America's hottest V8.

Because of its liveliness, its looks, and because it holds the road like it loves it—which it does.

Come try it, won't you, if only for the fun of it!

NOTHING (not even the high-priced cars) HAS GOT SO MUCH TO GO WITH!

The most up-to-date V8

So advanced in design and so efficient in operation that it needs only 4 quarts of oil instead of the usual 5. Shortest stroke of any V8 in the industry. Delivers more horsepower per pound than any engine in Chevrolet's field. Take your choice of the 162-h.p. "Turbo-Fire" or the 180-h.p. "Super Turbo-Fire," optional at extra cost.

V8

Two Sizzling 6's

They're the most powerful 6's in Chevrolet's field—And like the V8's, they give you the extra punch, performance and reserve power of the only 12-volt electrical system in Chevrolet's field.

Powerglide,

Overdrive or

Synchro-Mesh

Chevrolet gives you the drive to suit your driving. A new and finer Synchro-Mesh transmission, or as extra-cost options, oil-smooth Powerglide automatic transmission or Touch-Down Overdrive.

New engineering advances on steering, springing, suspension

Special ball bearings in the steering gear roll with the turn of the wheel to reduce friction. Glide-Ride front suspension rolls the bumps smooth. Outtrigger rear springs straighten the curves.

Economic Highlights

"How to Avoid Sudden Death" is the title of an article by Steven M. Spencer in the July 16th issue of the Saturday Evening Post. This, obviously, is a matter in which everyone has a direct and burning interest. Mr. Spencer's article deals with a simple and relatively inexpensive device, which, according to some safety experts, could reduce the toll of death and injury on the highways by as much as 50 per cent—automobile safety belts. He writes "No medical miracle short of a cure for heart disease or cancer could, in one swift stroke, save so many years of life." Last year motor vehicle accidents accounted for 36,300 deaths and 1,250,000 injuries, and the toll was somewhat higher in 1953.

The safety belt itself is not a new development by any means. Belts have been used in planes for more than 40 years. They have also been generally used in motor racing for a long period of time. More than 30 makes of belts are for sale. "But," Mr. Spencer says, "as something for the family hardtop they are a new and relatively unglamorous gadget. . . . To gain acceptance the seat belts must overcome widespread lack of information and some misinformation. Finally they must compete for the attention of car owners who are usually more interested in horsepower and body styles than in safety devices."

In gathering data for his article, Mr. Spencer spent two months reading accident reports and talking to accident analysts. He cites a number of actual and typical cases where people using safety belts walked away from major accidents—the kind of accidents that, without the belts, would have inevitably resulted in death or, at best, serious injury. He also cites the opinions of police, scientists, and other authorities who have taken up the cause of the safety belt.

The American College of Surgeons—made up of men whose professional life is to considerable extent spent in repairing the ghastly results of highway accidents—is a leader in this. It has called on automobile manufacturers to provide "passenger-stabilizing devices such as safety belts," along with certain other built-in safety features. That term "passenger-sta-

bilizing" explains the belt's value. In thousands of accidents, to quote Mr. Spencer again, "little injury would result if the riders were held firmly in place so that they could decelerate WITH the car instead of AGAINST it or THROUGH it onto the pavement."

Two leading automobile manufacturers are now offering safety belts as dealer-installed optional equipment. As mentioned before, individual buyers can choose from many makes. It is extremely important that the belts be anchored to something absolutely solid, such as the frame of the car, not the seat—in a bad crash the seat itself may tear loose. Also, Mr. Spencer indicates, care should be taken that the belt chosen has sufficient strength, proper buckles, and other such features.

The seat belt is but one example of modern safety thinking and development as applied to automobiles. At the end of his article Mr. Spencer writes: "One automotive engineer has said the time has come to fix the points for safety equipment in the basic pattern of the car and design around them, as the industry now designs around the motor or radiator or drive shaft. Certainly nothing could be more basic than a solid preventive against the epidemic disease of our highways."

The Low Down From Hickory Grove

Who or what is behind our mania for speed is to be autopsied in today's essay. Mamma seems to be in just as much a hurry as does pop or the teenage offshoots. Mama, too, will cross a double white line on the pavement as quick as the next one—she may have all day on her hands but that slowness she down, not. As highways get wider and smoother—and speed picks up—the ambulance and undertaker business stays in step. Quite disturbing I call it.

The tire makers advise sensible speeds—the oil folks likewise. As more people are killed or maimed by the pile-ups on the highway, there are that many less potential customers for tires and gas—so you can't blame these tire and oil folks for our speed excesses.

If everybody insists on seeing every place in one day, nothing will be left to see manana. The research committee here at Hickory Grove concluded that the nation is in a rut. In the Congress, in the home, in the marts of trade, we need take our chin in hand. As we hit her up to 65, the fellow in front annoys us—and he may get a dirty look as we zing past. There is no time left for relaxing, sightseeing or good manners at 65 per hour.

Why has so much of the Nation lost its manners—"why," that is. It is not a mediocre question—a good query for a lunch club short of a program.

Yours with the low down,
JO SERRA

LAKE VILLA

You are welcome to attend either the 8:30 or the 11 o'clock morning service at the Community church each Sunday. Church school classes for all at 9:45 a. m.

Circle No. 2 of W. S. C. S. met Monday evening, Aug 8 with its president, Mrs. Bernard Knipple at her home in Venetian Village.

Mrs. Kenneth M. Plummer is again a patient at Sherman hospital at Elgin where she was a patient a month or so ago and we hope for good news.

The local fire department was called to the Chris Anderson home on Burnett avenue last Saturday evening during the electrical storm when lightning struck the antenna of their television set, but doing very little damage except to the television set.

The volunteer fire department is getting ready this week to furnish amusement and entertainment for you at its annual carnival at Lehmann Park over the week end of August 12-13 and where many attractions will be staged, including free dancing. Proceeds will help to make the equipment and the department more beneficial for all.

Mr. and Mrs. Jake Viersen of Coloma, Wis., came Tuesday and left Wednesday after a visit with Mrs. Viersen's sister, Mrs. Henry Nader and husband.

Mr. and Mrs. Melvin Harms are building a new dwelling on Rte. 21, to be built of brick.

Mrs. Laura Reinebach of Chicago was a week end guest of her brother Carl Reinebach and wife.

Mr. and Mrs. Arthur Evans visited their daughters and families at Hampshire and Huntley last Thursday and also visited Mrs. Evans brother, Walter Hubbard, who is a patient at the Hines hospital at Maywood.

Mrs. Katherine P. Reynolds who has been at her Deep Lake home for several weeks, left last Tuesday by way of Canada where she will spend some time, then go on to her home in California.

Circles Nos. 1 and 2 of Woman's Society of Christian Service met together at the church last Wednesday evening for organization and elected the following officers: President, Martha Dunbar; Treasurer, Muriel Sebela; Recording Secretary, M. J. Rolin; 1st Vice Pres., Ruth Knipple; 2nd Vice Pres., Dorothy Colbert; 3rd Vice Pres., Harriet Bailey; Sec. of Students, Youth and Children's Work, Mrs. H. Nielsen; Sec. of Literature and Publications, Ann Plummer; Sec. of Supplies, Grace Evans; Sec. of Christian Social Relations, Gertrude Blust; Sec. of Status of Women, Helen Connell. The groups will meet quarterly and the next meeting will be held at the church on the evening of the second Wednesday in September.

The Pinochle club was entertained on Tuesday afternoon this week by Mrs. Eva Gaylord at her home in Antioch for the regular pot luck dinner followed by games of pinochle during the afternoon.

Mrs. Sacco and children have returned from a vacation trip to Canada.

Gindloh-Davis

A wedding of interest to many in Lake Villa took place on Sunday,

July 31 at the Windermere East Hotel in Chicago at 5:30 p. m., when Mis Evonne Gindloh was married to Mr. Sidney Davis of Chicago by Rabbi Moses Sachs of Congregation Am Echod of Waukegan in the presence of their families and friends. Miss Kathleen Gindloh served her sister as maid of honor and the groom's sister, Mrs. Sonia Kalfer was matron of honor, Miss Ethel Lee Cohn, daughter of Mr. and Mrs. Harry Cohn of Waukegan and Miss Mimi Bern, daughter of Mr. and Mrs. David Bern were bridesmaids.

The bride wore an ankle length gown of white crystallette and carried white flowers, while the attendants all wore pink crystallette and carried pink flowers. The bride wore a fingertip veil.

The groom was attended by his brother-in-law, Erwin Kalfen and friends were ushers.

Dinner for the family was held after the ceremony and a reception at the Windermere hotel was held during the evening. Out of town guests included Mr. and Mrs. Harry Cohn and Mr. and Mrs. Ed Cohn of Waukegan, Mrs. Celia Simon and Mr. and Mrs. Harry Breger of Chicago, Mr. and Mrs. Ed Tiede of Lake Villa, Dr. and Mrs. I. H. Dix, Dr. and Mrs. Raymond Dix, Dr. and Mrs. Harmon Dix, and Mr. and Mrs. George Gindloh of Detroit, Dr. and Mrs. Victor Dix of South Bend, and others from Minneapolis and Marion, Ill.

The bridal couple is on a honeymoon trip to Boulder, Colo., and after Aug. 14 will be at home at 5737 Kenmore Ave. in Chicago.

Mr. Davis is employed as a pharmacist in Chicago and his bride expects to continue her work in preparation for teaching at Chicago Teachers' College.

Only Gas Gives you Hot Water Faster!

If your hot water tap ever runs cold, it's time to replace your old water heater. Replace it with a modern automatic GAS water heater designed to keep pace with today's increased demands.

Then you'll be sure of a fresh, abundant supply of hot water whenever you need it . . . even for those "thirsty" appliances, the automatic clothes washer and dishwasher. GAS water heaters turn on full-flame automatically to replace the water as it's used . . . and since GAS is so fast, you don't need a big, space-taking tank. Enjoy all the hot water you want . . . any time! . . . for just pennies a day!

Costs Less!

TERMS AS LOW AS \$7.16 A WEEK

NORTHERN ILLINOIS Gas COMPANY

REMEMBER . . . with GAS there's no expensive installation necessary . . . your present service connections are more than adequate!

Get the proper size water heater for YOUR needs. . . see your plumber-dealer or visit our nearest store.

Step in... and command the most modern truck power on any job!

New Chevrolet Task-Force Trucks

Seven new "high-voltage" high-compression valve-in-head engines!

Here's hour-saving, dollar-saving power for your job... the biggest choice of engines in Chevrolet truck history! And they're the most modern engines in the industry!

You've got it good under the hood with a new Chevrolet Task-Force truck! With two new V8's and five new sixes to choose from, you can pick the power that's tailor-made to do your kind of hauling.

Shortest stroke V8's in any leading truck! Both of Chevrolet's new truck V8's have an ultra-short stroke—shortest of any V8 in any leading truck. They're of modern oversquare design, which means that the piston stroke is smaller than the bore. The result is less piston travel per mile... longer engine life. Also, Chevrolet's compact truck V8's deliver exceptionally high horsepower per pound of engine weight. More power is actually available for hauling your loads!

Modern 12-volt electrical system! You get this great development in all new Chevrolet truck engines—both V8's and sixes. The 12-volt electrical system delivers twice the punch for quicker cold-weather starting (up to 30% faster cranking speed). It also provides a hotter, fatter spark for better ignition.

Come in and command the most modern truck power for your job!

V8 or 6 you get the right power for your job!

Year after year... America's best-selling truck!  **DRIJE CHEVROLET, Inc.**

Only Pontiac DELIVERS ALL THESE CLEAR-CUT ADVANTAGES!

THERE'S NO POWER LIKE STRATO-STREAK POWER!

Here is the heart of Pontiac's terrific performance—the all-new, ultramodern Strato-Streak V-8! This masterpiece of engine design will deliver up to 200 horsepower with Pontiac's 4-barrel carburetor, an extra-cost option. Get behind the wheel and see what Pontiac Strato-Streak power really means!

SUPERIOR BEAUTY—Here's one advantage you can spot as far as you can see! Pontiac's smart combination of Twin-Streaked hood and Vogue Two-Toning is generally acknowledged to be the major style advance of the year.

SUPERIOR PERFORMANCE—The Strato-Streak V-8, too, sets this car apart from any other. It is the industry's most modern engine—filled with "firsts" that pay off in 200-horsepower* action and the greatest thrift in Pontiac history.

SUPERIOR SIZE—There's 124 or 122 inches of road-leveling wheelbase under Pontiac's spacious Body by Fisher. And that means a solid sense of security not surpassed by any car.

SUPERIOR HANDLING EASE—There's extra security, too, in the lightning response of Pontiac's brakes, steering and acceleration. Even parking is a pleasure with action like this.

SUPERIOR COMFORT—What's your idea on this score? Big, soft seats? Ample shoulder and leg room? A cushioned ride? Regal luxury? That's Pontiac comfort and it won't be topped by anything on the road.

Yet a Pontiac fits any new-car budget! Find out how little it takes to join the swing to Pontiac. *with 4-barrel carburetor, an extra-cost option.

PONTIAC'S GREATEST YEAR . . . THE YEAR'S GREATEST BUY!

SOCIETY EVENTS

Antioch 4-H Club Has Achievement Night at Scout House Monday

The Antioch Scout House was filled to capacity on Monday night when the Antioch Acorns 4-H club held its Achievement Night with Janet Keisler, Fred Dittmer and Carl Reichenbach and cooking leaders, Mesdames Edward Zalatoris and Nelson Place, Mrs. James Bruski, a former leader, was also introduced.

The program opened with a cooking demonstration of drop biscuits by Jane Lassen and Mary Keulman. Marcia Kulp followed them with an accordion number. Next Jane Lassen, Mary Keulman and Carleen Rackow, accompanied by Judy Keulman, sang in a trio as they had done at the County Share-the-Fun Festival. Experiences at summer camp were related by Mary Wertz, Dee Stillson and Janet Sheehan; then a piano solo was given by Judy Keulman before the modeling of garments.

Those who modeled were Barbara Kisel, Marcia Kulp, Dee Stillson, Joan Proesel, Janet Polley, Karen Lightsey, Mary Andersen, Emily Reichenbach, July Keulman, Janet Keisler, Sandy Kubs, Kathy Scully, Helen Herman and Mary Herman.

It was the seventh year in 4-H for Mary Herman who modeled the pink informal dance frock she will display at the state fair as one of 12 chosen to represent Lake County there in sewing. She was also a fair delegate during her fourth year in 4-H. Mrs. Peter Kisel presented her with a gift from the leaders in appreciation of her work as a junior leader.

The program concluded as Mary Keulman, Jane Lassen, Janet Sheehan, Mary Wertz and Carleen Rackow joined with those who modeled garments for a candle lighting ceremony in which they gave their organization's pledge.

Refreshments were served in the social hour that followed for the guests which included members of Lake Region Home Bureau which sponsors the group.

Rainbow Girls to Fete Elders on August 22; Nancy Swenson Honored

Nancy Swenson was appointed grand representative to the State of Texas, according to an announcement made at the Antioch Assembly of the Order of Rainbow Monday evening.

She will correspond with a Texas member on state activities and report at the grand assembly next year.

Four candidates were initiated into membership at this meeting. They are Pennie Ann Storch, Pat Wood, Beverly Ericsson and Joanne Seekatz.

At the next meeting August 22, the advisory board, members of the Eastern Star and the Masonic lodge will be guests.

Several Antioch girls will participate this evening in the service of Radiant Assembly at Waukegan. They are Nancy Swenson, recorder; Barbara Alshouse, charity; Janet Beelow, outer observer; Phyllis Pincombe, worthy associate advisor; Sue Carol Barnstable, fidelity; and Peggy Cardiff, service.

Moose Hold Annual Fete At Fox River Grove

Members of the Loyal Order of Moose No. 528 and their families help their third annual picnic Sunday at Fox River Grove near Cary.

An estimated 400 persons enjoyed a basket lunch and then spent the afternoon at various amusements. Three hundred and forty-five books of riddles were provided for the children.

Heading the procession to the picnic grounds was George Borovicka, local druggist, in the old Antioch fire truck which he purchased and outfitted as an antique. At the grove he gave children a ride.

A Girl for Chenettes

Nancy Joy Chenette is the name of a daughter born Friday evening to Mr. and Mrs. Louis Chenette at Condell Memorial hospital, Libertyville. Mr. Chenette is bandmaster of the Antioch Community band and director of music at Antioch Township High school. The girl has two young brothers.

Mrs. Walter Hills and Mrs. Jack Stieber entertained the officers club of Royal Neighbors last evening at a card party.

FIREMEN FEAST ON CHICKEN, SWEET CORN

The Antioch Fire department enjoyed one of their best feasts in many moons Tuesday evening at the fire station.

Village Trustee Murrill Cunningham furnished chickens and Barney Nevelier of Lake Marie rd., sweet corn. The menu comprised roast chicken, roast corn, new potatoes boiled in their jackets, tomatoes, salad, and coffee.

Twenty-nine countries belonging to the League of Red Cross societies have contributed emergency relief valued at \$200,000, for the 60,000 men, women, and children made homeless by the Greek earthquakes of late April.

Engagement Announced

Miss Nancy Lee Hoff

Mr. and Mrs. Robert Hoff, of Lake Marie, announce the engagement of their daughter, Nancy Lee, to Kenneth Rentner of Antioch. Plans are being made for a wedding during the winter.

Little League Picnic To Be Held August 21 At Fox River Park

The annual Little League picnic will be held at 12:30 p. m. Sunday, Aug. 21 at Fox River park.

Families of the boys of the Pony League, Little League, and Minor League have been invited to attend.

An enjoyable time is planned through games for which there will be prizes in all groups. Lunch will be pot-luck style and each family is requested to bring a dish to pass. Silver ware and plates are to be brought also.

There will be short business meetings for both the Little League Mothers Club and the Men's Club. Election of officers will take place and general plans and suggestions for the coming year will be made, consequently all parents are urged by those in charge to attend.

Those desiring a ride to and from the picnic grounds will meet at the Little League field at 12 noon.

Parents of Daughter

Mr. and Mrs. David Switzer are the parents of a daughter, "Linda Lee," born July 25 at McHenry. Mrs. Switzer was formerly Miss Jolene Gaston, daughter of Mr. and Mrs. H. K. Gaston of Antioch. The Switzers have another little daughter, Laura Ann.

Mexican Motif Prevails at Mrs. Spiering's Luncheon

A Mexican motif prevailed at the dessert luncheon given recently by Mrs. Clarence Spiering, president of the Antioch Woman's Club, at her home for members of the organization's board. There were 19 present.

During the business meeting, thank you notes were read from Lenore McCord and Robert Cain who recently attended Eastern Illinois State Teacher's College Music Camp and Jean Filiault who attended the Illinois Conservation School near Lake Villa. These high school students received their scholarships from the club.

Tentative budget and program plans were discussed during which it was revealed that advertising space is again being sold in the club year books and that the first official meeting of the new year has been set on Oct. 3 with a luncheon at George Diamond's Chain O' Lakes Country Club. The next board meeting is planned for Thursday, Sept. 1.

S/Sgt. William E. Leplante

Japan (FHTNC) — Serving with the 1st Marine Aircraft Wing as a metalsmith is S/Sgt. William E. Leplante, son of Mr. and Mrs. Edward B. Leplante of Beach Grove rd., Lake Marie, Antioch, and husband of the former Miss Jacqueline Spindler of Van Nuys, Calif.

Before entering the service in March, 1951, he was graduated from Lane Technical High School, Chicago.

He is attached to Marine Transport Squadron 253, a unit which transports supplies and personnel for Navy and Marine Corps units in the far East.

Lake Villa Man Speaks Before Women of Moose

Mrs. LaVergne Wizerowicz, sponsored by Constance Kennedy was initiated into Women of the Moose, Antioch Chapter No. 375 on Thursday, August 4th, at the Moose Lodge. Mooseheart Alumni Committee arranged to have Mr. David Harrell of Lake Villa give a very interesting talk on the care and raising of house plants. The ladies were given helpful information on various plants and flowers.

Friendship committee reported that Co-worker Marie Rolchenbach was taken to Burlington hospital. Co-worker Pearl Anderson expressed her appreciation for the cards received during her hospital stay.

It was announced that a dance is to be held on August 20, at the Moose lodge. Invitation is extended to the public.

Plans are in the making for a hay-ride party on Saturday, Sept. 17. More details as to when and where will be given at a later date. Meeting was adjourned and refreshments were served by Mooseheart Alumni committee.

Lake Villa Days.....

(continued from page 1)

day evening. Just how good the lady firefighters will be with the water fighting is a matter of conjecture, but the event is certain to evoke lots of interest.

Other features of the three-day celebration will be the usual carnival attractions including games and refreshments and rides. This year a ferris wheel, merry-go-round and several other kiddie rides will help entertain the large crowds expected.

Chief Irv. (Barney) Barnstable, general chairman for the Lake Villa Days said today that all preparations have been made to insure that this will be one of the most successful celebrations in the 25-year history of Lake Villa Days. Serving on the committee with Barnstable are John Effinger, advertising chairman, and Irving Barnstable, Jr., water fight chairman.

All funds raised by the annual event are used for maintenance of the department equipment and for the purchase of new equipment. Although the department is supported to some extent by the municipality, the money raised by the fire fighters, themselves, makes it possible for Lake Villa to have more modern equipment and a better department.

A bachelor is a man who has lost interest... the women's.

Mr. and Mrs. John Horan, Jr., and family are vacationing in Hempstead, N. Y., and are visiting Mrs. Horan's brother, Arthur Wellman and family.

Mrs. Ben R. Burke and Mrs. H. B. Gaston spent the week end with the Misses Deedle and Mary Tiffany at their cottage at Copper Harbor, Michigan.

Mr. and Mrs. L. R. Watson, of Franklin Park visited in Antioch Tuesday afternoon. Mr. Watson was coach at the High School for several years during the 1920's.

A three-year toughness test on one company's rubber tire produced for coal mine use has resulted in movement of 2,000,000 tons of coal without a tire failure.

Man's Oldest Tool For Measuring Up To New Tricks

WASHINGTON — The scale, man's oldest measuring tool, whose use dates beyond the Dawn of History, is taking on many fascinating new jobs in American business and industry.

Take the matter of weighing money, for example. Today, scales are used in many banks to check-weight packages of paper money to make sure that the bills are all there. A typical transaction might be to drop a package of \$1,000 in ten dollar bills on the scale. Present weighing machines are so sensitive that if even a single ten spot is missing its absence sticks out like a sore thumb. Coins are also counted by weight. This saves time and money and makes for peace of mind for bankers (assuming the money is all there of course).

A manufacturer of baby nipples advertises that his product isn't touched by human hands—and if isn't. A machine automatically packs them three to a box. The only thing is, sometimes the machine makes a mistake. It may pack only two nipples or sometimes one in a box where the customer pays for three. This causes howls of anguish, not only from the babies, but from the customers, too. So the manufacturer has his boxes checkweighed. He doesn't give a hoot how much they weigh, but if one is missing the scales detect it.

Humans In America 7,000 Years Ago

WASHINGTON — Human beings have lived in the northern Missouri Basin for at least 7,000 years. The prehistoric people—presumably of the same type physically as living Plains Indians—passed through many cultural changes due to migrations, variations in climate, perhaps major wars. They were, at various periods, hunters, farmers, food gatherers. Sometimes they combined all three ways of life.

This lost chapter is being tentatively reconstructed from the surveys and excavations carried out under the River Basins Surveys project of the Smithsonian Institution and various Federal and State cooperating agencies. A large number of archeological sites, eventually to be flooded under the government's river development program, have been investigated in order to salvage scientific material of value.

For work, evidences of what apparently was an early human occupancy of the area were found in the basin of the Angostura Reservoir on the Cheyenne River in North Dakota.

S. Eye-Care Habits Compared With British

NEW YORK — Recent studies made in the United States and England reveal an interesting comparison of eye-care habits.

In a nationwide American survey, it was found that 67.6 per cent of all adults wear glasses and that the average number of pairs owned by each person is 1.5. Average age of frames now in use is 3.0 years, while average age of lens is 2.5 years.

These figures show a slight but healthy improvement has taken place since a similar survey was conducted in 1948. At that time, 67.3 per cent wore glasses, owned 1.4 pairs, average age of frames was 3.7 years and that of lenses, 2.8 years.

The English are tied with Americans in average eye-glass ownership per wearer and those questioned expect to wear their glasses for about the same length of time, 2.75 years. But—only 59 per cent of their adults wear specs.

Old Farm Machinery Turns Pages Of Time

EAST LANSING, Mich.—Michigan State College's collection of antique farm equipment turns back the clock 100 years to the era of the horse-drawn walking plow, hand seeder and wheel cultivator. The college museum spent five years collecting and restoring the old equipment to its original condition before placing it on display for the summer.

Those "good old days" are recalled by the surrey with the fringe on top; a grist mill, stump puller and three-horsepower sweep. Other pioneer tools that bring to life the farming past include an 1868 reaper, an 1804 threshing machine, an 1870 corn sheller and a hand-operated churn with wooden gears.

Three Little Words

SAN ANGELO, Tex. — The San Angelo Standard-Times got a lot of long letters and weighty opinions when it sent our questionnaires for a news roundup on West Texas economic conditions.

But one reply, from a banker, summed up the trouble with the economic conditions in three words: "Too D—Dry."

Borovicka Will Take Part in Classic Car Club Caravan Aug. 15

Local resident George E. Borovicka, Depot st., Antioch, will drive to Detroit in the third annual Caravan of the Classic Car Club of America August 15-18. Some 100 old cars of the years 1925-42 will participate. He will take his classic 1932 Lincoln.

Members of the national organization are dedicated to preserving motor cars from the era they consider the "golden age of the automobile." They restore these cars to the original condition at costs up to \$10,000.

Eastern members driving in formation from Harrisburg, Pa., will meet southern and western cars at Toledo, Ohio, on August 17th, driving on to Detroit under police escort.

Feeding two antibiotic supplements in chick rations has proved economically practical in research at Kansas State College, reports Successful Farming. The two antibiotics do not improve the best results with one antibiotic, but they give good results more consistently.

To be sure of a plentiful ice-cube supply during hot days, freeze extra cubes, empty them into plastic bags and store them in the freezer. Remove the cubes from the trays without running water and they will be dry and will not stick together in the bags.

Part Time Workers To Be Checked in Population Survey

Special supplementary questions designed to find out whether unemployed persons are seeking full-time or part-time work will be asked in the August Current Population Survey, according to Supervisor John W. Carnit of the Census Bureau's district office at Chicago.

The Current Population survey is conducted locally and in 229 other areas of the country each month to collect up to date national figures on employment and unemployment. The survey will be carried out during the week of August 15-19, 1955.

Prophetic Choice!

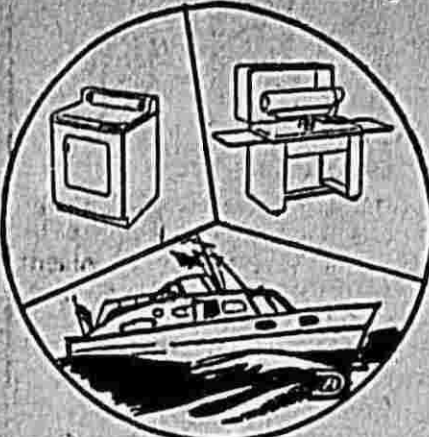

Peter Salley in 1742 passed through what is now West Virginia and named one of the many streams he crossed "The Coal River," a highly prophetic choice since West Virginia today is America's leading source of bituminous coal.

World's First Coal Pipeline To Carry Bituminous 108 Miles

A coal pipeline is to be constructed in Ohio beginning in 1955 to carry "black diamonds" 108 miles and open a new era of coal transportation. It is planned to deliver 1,200,000 tons of coal a year to an Ohio electric utility.

Said the loan broker: "One last question—what type blood do you have?"

Which Is a Luxury?

One of these items is not a luxury. The excise or "luxury" tax which the government collects on liquor, tobacco and entertainment is also levied on the household dryer and ironer. The yacht is tax-free. When you buy a dryer or an ironer 10 per cent of the cost is "luxury tax." The government collects this tax because these household necessities are classified as luxuries.

There are still more than 40 million American homes without a dryer or ironer. The American Home Laundry Manufacturers' Association is appealing to Congress to remove this tax. Do you think this is a fair tax? You can have it repealed: Send a letter, post card or telegram to your Congressman in Washington today. Tell him what you think of this tax. He would like to know.

Last year 69,600 Gray Ladies gave 4,121,600 volunteer hours of service in military, veteran, and civilian hospitals.

UP GOES CHRYSLER'S PRODUCTION MORE THAN 40% Here you see construction work proceeding on the new Chrysler production facilities which will add 667,000 square feet of floor space... including a 14-mile long continuous conveyor system, longest in the industry.

CHRYSLER'S giant expansion program brings you the greatest new car buying opportunity of the year!

Because of the unprecedented demand for its 1955 models, currently up to a new record high, Chrysler has had to undertake a Giant Plant Expansion Program. When in full production the new plant will provide a 40 per cent increase in Chrysler Windsor V-8 and New Yorker output.

Knowing that building operations would take several months, we have tried to provide enough 1955 Chrysler Windsor V-8's and New Yorkers to meet the demands of our customers through the season. This meant filling our entire year's supply right now in mid-season.

You Get Year's Widest Selection of Models and Color Combinations

Since we tried to anticipate your needs, we can show you a wide selection of

color combinations and body styles, but our supply will never again be as great as it is right now! Indications are that there just will not be enough of all models and body styles to go around.

Your present car will never be worth more in trade

Remember that fact! Right now your present car is worth more in trade than it ever will be again.

And we can allow you more for it than anybody else in town. That's not just talk. There's a good reason for it.

We Need Used Cars

When these new cars are gone, we'll be hungrier than ever for used cars. That's right—as these wonderful new Chrysler buys move out we will be

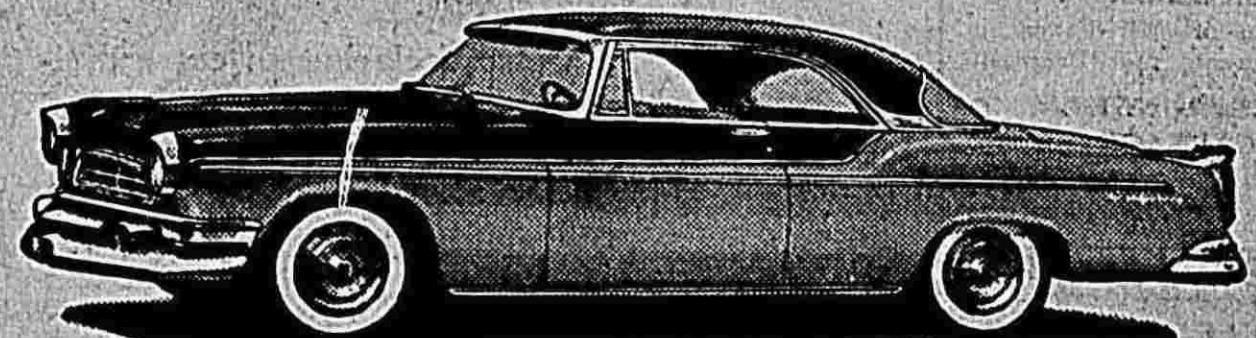

needing more and more late model used cars. That's a double reason for you to trade for a brand new Chrysler beauty right now. You have the year's finest selection of the popular 1955 Chryslers... and, we're in a real trading mood to get our used car stocks in shape.

Take the 100-Million-Dollar Ride Today!

If you've been holding off on buying your new 1955 Chrysler Windsor V-8 or New Yorker, if you've delayed for any reason, better act now.

Because when our present stock of new cars is gone, we can't get any more! So, come in today. Experience the thrill of the 100-Million-Dollar Ride... the ride all America is talking about. It will be the smartest new car buy of your life!

USED CAR BUYERS!
Our "Pennant Winners"—which include many late model Chryslers—are the greatest buys in town!

All Chrysler Cars are V-8's... with the most powerful type of V-8 engine on the road!

GOOD DRIVERS DRIVE SAFELY!

By JACK SEIB and JOHN SHERBET

Did you know that your laughing and chuckling at a comedy TV program isn't always caused directly by what you see and hear?

Actually, sometimes a psychological trick is being played on you. Some networks are using a record sounding gadget which can be tuned-in on various kinds of laughs, giggles, snickers, and hysterical guffaws. Set-off at the right moment, you hear a presumably good response from the invisible audience. Actually, you are hearing this laughing machine.

This gadget is used because of the theory that laughing is contagious like measles. The more response you hear, the more chances that you'll laugh, too, even if the program is mediocre.

But even with this "make believe", your TV receiver must cooperate with a clear, steady picture. If you don't have this, phone Antioch 144. COURTEOUS TV will give you satisfactory results (not psychological) with the latest, electronic testing and servicing instruments.

Library News

"Gentlemen, Start Your Engines" is Wilbur Shaw's story of his life and his fascinating career in automobile racing. He was the only man to win the Indianapolis classic three times. His death deprived the Indianapolis track of a colorful president and auto racing of its best known enthusiast.

In "The Great American Heritage," Bela Kornitzer has written the story of the five Eisenhower brothers. In tracing the development of the five boys who started their careers from a modest home in Abilene, Kansas, Mr. Kornitzer illustrates his conviction that the real wealth of America is in her citizens' moral and spiritual accomplishments rather than in her material resources.

The Pulitzer Prize biography of Columbus, "Admiral of the Ocean Sea" by S. E. Morison, has been rewritten and published under a new title—"Christopher Columbus, Mariner." The voyages of Christopher Columbus comprise one of the great adventure stories of all time and this new edition will delight many readers who did not have the opportunity to read the first book.

All of the above books were presented to the Antioch Township Library in memory of Victor Bown.

WE'RE TRADING HIGH, WIDE - and then some!

So-you get a triple bonus in today's top-selling Buick

1 Bonus Trade-in Allowance - biggest in our history

2 Bonus Buy - because Buick is the thrill of the year in style, power, performance, value

3 Bonus Resale - because a Buick always resells high - brings you more money when you trade it in

Bonus Beauty in Hardtops

Even the new hit in hardtops—the 4-Door Riviera—is included in our profit-sharing bonus deals today. Shown here is the low-price Buick SPECIAL, 6-Passenger, 4-Door Riviera, Model 43. Also available in the supremely powered CENTURY Series as Model 63.

YOU can come in right now on a Buick dividend distribution that's like money in the bank for you. And a look at the nation's new-car sales figures will tell you why.

This year, Buick is doing far better than just outselling all cars in America except the two most widely known smaller ones. This year, Buick sales are soaring past every high-water mark in the book - past 600,000 cars - and we're still going strong.

So we're declaring an extra dividend - for you. On top of the long trade-in allowances we have been making all year, we're adding a profit-sharing bonus allowance.

But you'll be getting a lot more

than a great deal. You'll be getting a great car—the hottest-selling Buick in history.

You'll be getting Buick's far-in-advance styling, Buick's mightiest V8 power, Buick's highly envied all-coil-spring ride, Buick's extra size and room and comfort and solidity of structure. And you'll be getting the performance thrill of the year

- Variable Pitch Dynaflo* - the switch-pitch transmission that's taken the country by storm.

Come in today and see for yourself that there's never been a car like this before - and never a deal so easy to make.

*Variable Pitch Dynaflo is the only Dynaflo Buick build today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Thrill of the year is Buick - Biggest-selling Buick in History!

1400 crash landings a minute...

to save you the **BIG** money

When you buy an INTERNATIONAL, you can be sure of utmost handling ease and comfort—maximum roadability and durability.

You can be sure, for INTERNATIONALS are relentlessly tested to give you trucks that work better, longer—that save you the BIG money, the operating and maintenance money. It's all a part of INTERNATIONAL engineering that produces trucks that are all-truck... with no passenger car engines or components asked to do a truck job.

All-truck engineering has made INTERNATIONAL the heavy-duty sales leader for 23 straight years. Come in and let us show you the right INTERNATIONAL for your job—all-truck built to save you the BIG money! Your trade-in may cover the down payment. Convenient terms arranged.

This picture shows an INTERNATIONAL Truck on the Belgian Block test course... a torture track so bumpy that, at only 12 miles an hour, it slows wheels up and down 1,400 times a minute—so rugged that drivers are replaced each 20 miles of the 400-mile test.

You save the BIG money in light-duty hauling with INTERNATIONAL pickup trucks. Eleven 1/2-, 3/4-, and 1-ton models. Three body sizes—6 1/2-, 8-, 9-ft. Famous Comfo-Vision cabs. Every modern driving feature, including optional overdrive, automatic transmission.

Gasoline Mileage Falls Off When Plugs Are Faulty

FLINT, Mich.—Looking for increased gasoline mileage from your car?
Consider these facts recently reported by automotive engineers in response to a request from a major oil company:

If your car has a V-8 engine and one plug is not firing correctly, your mileage may fall off as much as 14 per cent.

For example, if you can get 18 miles a gallon at moderate speed, your mileage would drop to 15.5 when the one plug was "missing."

With two plugs misfiring, your mileage may be off 25 per cent from the normal figure—or, in our example, down to 13.5 miles per gallon.

And, if you should have three plugs out of order, your mileage can go down some 40 per cent. That would mean only 11 miles per gallon for the car that otherwise gets 18.

The amount of fuel your car needs to maintain a given speed increases in proportion to the number of spark plugs that aren't working.

What causes a spark plug to miss?

Fouling is usually the answer and there are three general types of fouling—gas, oil and lead.

Gas fouling generally results from incomplete combustion of rich gasoline mixtures—often traceable to poor carburetor adjustment.

Oil fouling stems from too much oil in the combustion chamber. This points to worn piston rings or valve guides or some other mechanical defect.

Lead fouling most often results from driving modern cars with their high output engines for long periods in city traffic or only at slow speeds.

Workmen Repair Constantine Arch

WASHINGTON—Rome's 4th-Century Arch of Constantine will wear scaffolding for months during efforts to halt disintegration which has loosened chunks of stone and marble.

A famed landmark, the arch has shown an alarming tendency to crumble from effects of weather and motor traffic vibration. Vegetation thriving on its ancient walls has aided decay. Even so, the arch probably is the best preserved structure of the imperial period.

It was erected after Emperor Constantine defeated Maxentius at the Battle of the Milvian Bridge in A. D. 312.

An inscription honors Constantine, who gave Christians religious freedom in A. D. 313.

"To Emperor Caesar Flavius, Constantine Maximus, the Pious, the Fortunate, Augustus, the Senate and the people of Rome have dedicated in triumph this noble arch, because, by the inspiration of God and the greatness of his mind, he, by means of his legions and just arms, avenged the Republic, not only on the tyrant, but also at the same time on all his faction."

Wage-Earners Living Longer These Days

NEW YORK—According to the mortality in 1954, the average length of life of Americas wage-earners and their families climbed to within a tenth of a year of the Biblical three score years and ten.

This record is derived from experience among industrial policyholders. The average length of life of these insured persons is now 69.9 years.

The current figure is one year greater than that for 1953 and five and one-half years above that of a decade ago. Improvement has been more rapid for industrial policyholders than for the general population of the United States. In 1911-12 the average length of life among these insured was 46.6 years, or about six and one-half years less than for the population as a whole; at present the two are on a par.

Apparent Improvement In Traffic Death Rate

NEW YORK—Motor vehicle fatalities in the first three months of this year resulted in death claims under 10,000 life insurance policies, representing death payments of \$20,000,000, according to the Institute of Life Insurance.

This is the third consecutive first quarter to show the same number of death claims, and the constantly increasing number of lives exposed would indicate some improvement in the traffic death rate.

Hot Time In Mexico

MEXICO CITY — It gets awful hot in Mexico sometimes, as witness this recent news story.

A stranger, discovered splashing in Fernando Gonzalez's bathtub, protested to police that he meant no harm. He said he found the door open and, "It was so hot, I just wanted a bath."

Salad that's prepared ahead of time can be kept from becoming soggy by inverting a saucer in the bottom of the bowl, suggests the Successful Farming magazine. The excess moisture will run underneath. If the saucer fits too snugly, place a toothpick between it and the edge of the bowl.

An insulated water jug with spigot, put on the back porch will save many steps to get children's drinks in hot weather, and the children will enjoy waiting on themselves.

Coal was used to produce almost 66 per cent of all the electricity generated in 1954 from fuels other than water power, according to recently published statistics.

A draftee from Brooklyn was on maneuvers in the heart of the rattlesnake country. Wandering off by himself he came back to his squad displaying several rattlesnake rattles. "Where did you get those?" one of his alarmed buddies inquired. "Oh," said the lad from Brooklyn, "I took 'em off some big worms over there."

Card of Thanks
We wish to thank our friends and neighbors for their many acts of kindness during our recent bereavement.

Mrs. James Stearns and Family

If anything makes a child thirstier than going to bed, it's knowing you've gone, too.

LEGAL ADJUDICATION AND CLAIM DAY NOTICE

If You're Interested in an  Used Car — Be Sure to See Your Ford Dealer

It wasn't too hot for Mom to bake a pie tonight!

Of course not! She has a new electric range—

MR: What's her new electric range got to do with it?
MRS: Plenty! Her kitchen never gets hot—even when she does a lot of baking.
MR: Well . . .
MRS: And another thing . . . her kitchen doesn't get dirty, either. The fumes from that museum piece of ours have ruined the decorating we did this spring!
MR: But . . .
MRS: So if you think I'm going to spend the rest of my life in the hot stove league . . . well, you've got another think coming!
MR: Look, dear . . . if you really want a new electric range that badly, I think we can swing it. Just one thing, though . . .
MRS: Yes?
MR: I want blueberry pie for dessert the first night it's installed!

Keep your kitchen 10 degrees cooler with a New Electric Range

Recent impartial baking tests (made by independent engineers of the R. W. Hunt Company) prove that modern electric ranges keep your kitchen an average of 10 degrees cooler than the most modern flame-type ranges.

NEW SHARE-THE-COST INSTALLATION PLAN
saves you important money.

OWN AN ELECTRIC RANGE
for as low as \$2.16 a week — installed!

THE WILD FRONTIER HAS A NEW KING!

Great Features back up Chevrolet Performance: Body by Fisher—Ball-Race Steering—Outrigger Rear Springs—Anti-Dive Braking—12-Volt Electrical System—Nine Engine-Drive Choices.

The new Chevrolet has proved itself all K-I-N-G in today's toughest driving competition!

Starting at the Daytona Beach NASCAR*-sponsored trials last winter, the new Chevrolet swept aside all competition in its class in acceleration tests.

And since then what's happened: The latest figures on hand show that so far Chevrolet has piled up a total of 196 points to lead in NASCAR Short Track Standings by 99 points.

Second place is held by a medium-priced car. And Chevrolet's nearest price competitors are running fifth and seventh!

Come on in and try America's real, honest-Injun GO-car of the year!

Letter to the Editor

A Word of Commendation
It is most unusual to find a company of people to employ their talent, and have the president of their community proclaim a Day of Sacred Music.

It is with due apologies that one like myself would assume authority as it were, to commend the Antioch Community Band. They have taken a noble step, and as pertaining to sacred things, are performing the greatest deed man can render unto God.

The noblest thing a man can do in this world is to serve the living God. But to praise God in song and upon instruments of music is just as great and possibly greater. For it is an acknowledgment of our faith in Him, and gives due honor and glory unto Him who gave His life a ransom for many.

The Book of Revelation bears out this fact more than any in the Bible. "And a voice came out of the throne, saying, Praise our God, all ye His servants and ye that fear Him, both small and great." Rev. 19: 5.

There are so many references but for now in closing the 150th Psalm is quite fitting:

Praise ye the Lord. Praise God in His sanctuary; praise Him in the firmament of his power.

Praise Him for His mighty acts; praise Him according to His excellent greatness.

Praise Him with the sound of the trumpet; praise Him with the psaltery and harp.

Praise Him with the timbrel and dance; praise Him with stringed instruments and organs.

Praise Him upon the loud cymbals; praise Him upon the high sounding cymbals.

Let everything that hath breath praise the Lord. Praise ye the Lord.

Emanuel Thiele.

Boy Injured in Car Crash

Mark Folinita, 5, Chicago was slightly injured Saturday when the car in which he was riding was struck by another auto on Rte. 173 three miles west of this village. The car in which the boy was riding was driven by Joseph Rinsany of Chicago and the other car was operated by Stanley Konol, also of Chicago. Konol was attempting to push another car off the road when he went into the wrong lane and struck Rinsany's car. Konol was arrested and charged with driving on the wrong side of the road.

Evening Mass at St. Peter's

The Rev. Alfred J. Henderson, pastor of St. Peter's church, announced that next Monday is the Feast of the Blessed Virgin's Assumption into Heaven, a most solemn feast of the Roman Catholic Church. On that day there will be masses at 6, 7, 8, 9, and 10 a. m., and at 8 p. m. This is the first time an evening service for the occasion has been set for the Antioch church.

**High School Students
New to Community May
Register Aug. 15, 16**

High school boys and girls who are new to the Antioch community and who plan to attend the Antioch Township High School in the fall are asked by the school officials to register at the high school office August 15 and 16.

The pre-school registration will help to develop the student's class schedule before the opening of school, Tuesday, Sept. 6.

Any high school student who has not registered can do so on the specified days to avoid delay and time during the opening days of school.

The majority of prospective high school students have already registered during the spring registration. These students who have already registered need not report on August 15 or 16 because their class schedules have been carefully planned.

However, if a subject change is desired by any student who has already registered, the change can be made along with the registration of new students on these days.

**H. E. Shepard's Mother
Dies in Los Angeles;
Burial at Crystal Lake**

Mrs. Walter E. Shepard passed away on the evening of August 7, in Los Angeles, Calif., as the result of a stroke suffered on August 5. She had been an invalid for the past eight years, and was confined to bed most of the time suffering from partial paralysis as the result of a previous stroke.

Mrs. Shepard before her marriage was Ida Clare Hanaford, a in Woodstock at the Hanaford families of Woodstock. She was born in Woodstock at the Hanaford family home, 442 South st., on June 27, 1882. Her husband, Walter E. Shepard, died Oct. 11, 1952. She is survived by her daughters Mrs. H. M. Melvin of Los Angeles and Charlotte Shepard of Jefferson, Wis., and a son, Hanaford E. Shepard of Antioch, Ill.

Mrs. Shepard was a life long member of the Baptist church of Woodstock and had many local friends.

The funeral will be held on Saturday at the Merwin Funeral home and burial will be at the Crystal Lake cemetery in the Shepard family plot.
